On February 18, 2009 (the "Effective Date"), the Compensation Committee of the Board of Directors (the "Compensation Committee") of The Coca-Cola Company (the "Company") amended and restated four of the Company's employee equity compensation plans and adopted amendments to the related forms of stock option award agreements.

Under these amendments to The Coca-Cola Company 1999 Stock Option Plan (the "1999 Stock Option Plan"), The Coca-Cola Company 2002 Stock Option Plan (the "2002 Stock Option Plan") and The Coca-Cola Company 2008 Stock Option Plan (the "2008 Stock Option Plan"), the date on which the vesting of options accelerates upon separation from the Company was changed for grants on or after the Effective Date. Previously, the vesting of options held at least 12 months accelerated at age 55 and 10 years of service or age 60 and one (1) year of service. Under the plans as amended, the vesting of options held at least 12 months accelerates at age 60 with 10 years of service. In addition, The Coca-Cola Company 1989 Restricted Stock Award Plan (the "1989 Restricted Stock Award Plan") has been amended to remove the references to retirement as defined in the Company's Employee Retirement Plan and the requirement that retirement occur at least five years after the date of the award in order for the shares to be released. Under the 1989 Restricted Stock Award Plan as amended, for awards on or after the Effective Date, except as otherwise specified in the award, shares may be retained upon separation from the Company on or after age 60 with 10 years of service.

Further, the Compensation Committee amended the provision in the 1999 Stock Option Plan regarding the time period available to exercise a stock option in the event of death of the optionee in order to make that plan consistent with the 2002 Stock Option Plan and the 2008 Stock Option Plan. As a result, the time period that an option may be exercised in the event of death under the 1999 Stock Option Plan has been changed from the earlier of 12 months from the date of death and the expiration date of the option to the earlier of five (5) years from the date of death and the expiration date of the option.

The Compensation Committee also amended the forms of stock option award agreements related to all of these stock option plans, pursuant to which the executive officers of the Company named in its 2009 Definitive Proxy Statement to be filed with the Securities and Exchange Commission are entitled to receive awards. These amendments include a mandatory and an optional provision. The mandatory provision provides that an optionee who is subject to the Company's stock ownership guidelines may not sell net shares (i.e. shares remaining after payment of the exercise price and/or taxes) of Company common stock obtained upon exercise of an option award until the optionee has satisfied the applicable stock ownership guidelines, and then may sell only the number of such shares in excess of those guidelines. The optional provision, which may be used in a stock option award agreement at the Compensation Committee's discretion, provides that the optionee may not sell any of the net shares of Company common stock obtained upon exercise of an option award until after the optionee ceases to be employed by the Company or a Related Company (as defined in the plans).

The amendments to these equity compensation plans were approved by the Compensation Committee pursuant to the authority granted to the Compensation Committee under the terms of each of the respective plans. The nature of these amendments did not require shareholder approval under the terms of the plans, applicable law or the rules of the New York Stock Exchange.

The foregoing descriptions of the amendments to these amended and restated equity compensation plans and related forms of stock option award agreements are qualified in their entirety by reference to the amended and restated plans and amended forms of stock option award agreements, copies of which are attached hereto as Exhibits 10.1 through 10.7 and incorporated herein by reference.

THE COCA-COLA COMPANY
1989 RESTRICTED STOCK AWARD PLAN
(As Amended and Restated through February 18, 2009)

Section 1. Purpose

The purpose of the 1989 Restricted Stock Award Plan of The Coca-Cola Company (the "Plan") is to advance the interest of The Coca-Cola Company (the "Company") and its Related Companies (as defined in Section 4 hereof), by encouraging and enabling the acquisition of a financial interest in the Company by officers and other key employees through grants of restricted shares of Company Common Stock and/or performance share units (the "Awards", or singly, an "Award"). The Plan is intended to aid the Company and its Related Companies in retaining officers and key employees, to stimulate the efforts of such employees and to strengthen their desire to remain in the employ of the Company and its Related Companies. In addition, the Plan may also aid in attracting officers and key employees who will become eligible to participate in the Plan after a reasonable period of employment by the Company or its Related Companies.

Section 2. Administration

The Plan shall be administered by a committee (the "Committee") appointed by the Board of Directors of the Company (the "Board") or in accordance with Section 7, Article III of the By-Laws of the Company (as amended through October 20, 2005) from among its members and shall be comprised of not less than three (3) members of the Board. The Committee shall determine the officers and key employees of the Company and its Related Companies (including officers, whether or not they are directors) to whom, and the time or times at which, Awards will be granted, the number of shares to be awarded, the time or times within which the Awards may be subject to forfeiture, and all other conditions of the Award. The provisions of the Awards need not be the same with respect to each recipient.

The Committee is authorized, subject to the provisions of the Plan, to establish such rules and regulations as it deems necessary or advisable for the proper administration of the Plan and to take such other action in connection with or in relation to the Plan as it deems necessary or advisable. Each action made or taken pursuant to the Plan, including interpretation of the Plan and the Awards granted hereunder by the Committee, shall be final and conclusive for all purposes and upon all persons, including, without limitation, the Company and its Related Companies, the Committee, the Board, the Officers and the affected employees of the Company and/or its Related Companies and their respective successors in interest.

Section 3. Stock

The stock to be issued under the Plan pursuant to Awards shall be shares of Common Stock, \$.25 par value, of the Company (the "Stock"). The Stock shall be made available from treasury or authorized and unissued shares of Common Stock of the Company. The total number of shares of Stock that may be issued pursuant to Awards under the Plan, including those already issued, may not exceed 40,000,000 shares (subject to adjustment in accordance with Section 8). Shares of Stock previously granted pursuant to Awards, but which are forfeited pursuant to Section 5, below, shall be available for future Awards.

Section 4. Eligibility

Awards may be granted to officers and key employees of the Company and its Related Companies who have been employed by the Company or a Related Company (but only if the Related Company is one in which the Company owns on the grant date, directly or indirectly, either (i) 50% or more of the voting stock or capital where such entity is not publicly held, or (ii) an interest which causes the Related Company's financial results to be consolidated with the Company's financial results for financial reporting

purposes) for a reasonable period of time determined by the Committee. The term "Related Company" shall mean any corporation or other business organization in which the Company owns, directly or indirectly, 20 percent or more of the voting stock or capital at the applicable time.

Notwithstanding any other provision of the Plan, Awards, including performance share unit awards, may only be granted to employees if they are employed at the time the Award is initially granted; however, Awards in the form of performance share units or other share units may be settled in shares of Stock after the employee's termination of employment, if such employee qualifies for such a settlement under the terms of the Award.

No employee shall acquire pursuant to Awards granted under the Plan more than twenty (20) percent of the aggregate number of shares of Stock issuable pursuant to Awards under the Plan.

Section 5. Awards

Effective for grants on or after February 18, 2009, and except as otherwise specifically provided in the grant of an Award, Awards shall be granted solely for services rendered to the Company or any Related Company and shall be subject to the following terms and conditions:

(a) If at any time the recipient terminates employment after attaining age 60 and completing ten Years of Service, dies or becomes disabled, or in the event of a "Change in Control" of the Company, such recipient shall be entitled to retain the number of shares subject to the Award if such shares have been issued, unless otherwise specified at the time of grant.

(b) The Stock subject to an Award shall be forfeited to the Company if the employment of the employee by the Company or Related Company terminates for any other reason.

"Disabled" means a condition for which a recipient becomes eligible for and receives a disability benefit under the long term disability insurance policy issued to the Company providing Basic Long Term Disability Insurance benefits pursuant to The Coca-Cola Company Health and Welfare Benefits Plan, or under any other long term disability plan which hereafter may be maintained by the Company or a Related Company, provided that the recipient is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than twelve months.

"Years of Service" means "Years of Vesting Service" as that term is defined in the Employee Retirement Plan of The Coca-Cola Company.

"Change in Control" means a change in control of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), as in effect on January 1, 2002, provided that such a change in control shall be deemed to have occurred at such time as (i) any "person" (as that term is used in Sections 13(d) and 14(d)(2) of the Exchange Act), is or becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act as in effect on January 1, 2002) directly or indirectly, of securities representing 20% or more of the combined voting power for election of directors of the then outstanding securities of the Company or any successor of the Company; (ii) during any period of two consecutive years or less, individuals who at the beginning of such period constituted the Board of Directors of the Company cease, for any reason, to constitute at least a majority of the Board of Directors, unless the election or nomination for election of each new director was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of the period; (iii) the shareholders of the Company approve any merger or consolidation as a result of which the Common Stock shall be changed, converted or exchanged (other than a merger with a wholly-owned subsidiary of the Company) or any liquidation of the Company or any sale or other disposition of 50% or more of the assets or earning power of the Company, and such merger, consolidation, liquidation or sale is completed; or (iv) the shareholders of the Company approve any merger or consolidation to which the Company is a party as a result of which the persons who were

shareholders of the Company immediately prior to the effective date of the merger or consolidation shall have beneficial ownership of less than 50% of the combined voting power for election of directors of the surviving corporation following the effective date of such merger or consolidation, and such merger or consolidation is completed; provided, however, that no Change in Control shall be deemed to have occurred if, prior to such time as a Change in Control would otherwise be deemed to have occurred, the Board of Directors determines otherwise. Additionally, no Change in Control will be deemed to have occurred under clause (i) if, subsequent to such time as a Change in Control would otherwise be deemed to have occurred, a majority of the Directors in office prior to the acquisition of the securities by such person determines otherwise.

(c) Awards may contain such other provisions, not inconsistent with the provisions of the Plan, as the Committee shall determine appropriate from time to time.

(d) Performance-Based Awards.

1. The Committee, which shall be comprised of two or more outside directors meeting the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") may select from time to time, in its discretion, executive officers, senior vice-presidents and other key executives of the Company and its Related Companies, to receive awards of restricted stock or performance share units under the Plan, in such amounts as the Committee may, in its discretion, determine (subject to any limitations provided in the Plan), the release of which will be conditioned upon the attainment of certain performance targets ("Performance-Based Awards"). With respect to individuals residing in countries other than in the United States, the Committee may authorize alternatives that deliver substantially the same value, including, but not limited to, promises of future restricted stock awards provided that the grant and subsequent release is contingent upon attainment of certain performance targets under this section.

2. The Committee shall determine the performance targets and the Measurement Period (as defined below) that will be applied with respect to such grant. Grants of Performance-Based Awards may be made, and the performance targets applicable to such Performance-Based Awards may be defined and determined, by the Committee no later than ninety days after the commencement of the Measurement Period. The performance criteria applicable to Performance-Based Awards will be one or more of the following criteria:

- increase in shareowner value;
- earnings per share;
- net income;
- return on assets;
- return on shareowners' equity;
- increase in cash flow;
- operating profit or operating margins;
- revenue growth of the Company;
- operating expenses;
- quality as determined by the Company's Quality Index;
- economic profit;
- return on capital;
- return on invested capital;
- earnings before interest, taxes, depreciation and amortization;
- goals relating to acquisitions or divestitures;
- unit case volume;
- operating income;
- brand contribution;
- value share of Non Alcoholic Ready-To-Drink segment;
- volume share of Non Alcoholic Ready-To-Drink segment;
- net revenue;

- gross profit; and
- profit before tax.

At the time the Committee sets the performance criteria, the Committee shall define the criteria and any adjustments to be applied. The performance criteria may be applied to the Company as a whole or to a particular business unit, or a combination thereof, as determined at the time of grant applicable to the particular recipient.

The Measurement Period will be a period of at least one year, determined by the Committee in its discretion, commencing on January 1 of the first year of the Measurement Period and ending on December 31 of the last year of the Measurement Period. The Measurement Period may be subject to adjustment as the Committee may provide in the terms of each award. For newly hired or eligible individuals, the Measurement Period may consist of a partial year or years. The Committee may specify an additional required holding period after the Measurement Period.

3. Except as otherwise provided in the terms of the award, shares awarded in the form of Performance-Based Awards shall be eligible for release (the "Release Date") on March 1 following the completion of the Measurement Period.

4. Shares awarded in the form of Performance-Based Awards will be released only if the Controller of the Company (or, for non-financial measures, the appropriate approver) and the Committee certify that the performance targets have been achieved during the Measurement Period.

5. In addition to the other limitations in the Plan, a recipient may not receive Performance-Based Awards in a single year valued in excess of \$20 million at the time of the Award.

6. Performance-Based Awards granted pursuant to this Section 5(d) are intended to qualify as performance-based compensation under Section 162(m) of the Code and shall be administered and construed accordingly.

(e) No Award shall be released unless the employee properly, timely and unconditionally executes (by any means approved by the plan administrator or the Director, Executive Compensation) an agreement provided in connection with the Award.

Section 6. Nontransferability of Awards

Shares of Stock subject to Awards shall not be transferable and shall not be sold, exchanged, transferred, pledged, hypothecated or otherwise disposed of at any time prior to the first to occur of Retirement on a date which is at least five (5) years from the date of grant of an Award and on or after the date on which the employee has attained the age of 62, death or disability of the recipient of an Award or a Change in Control.

Section 7. Rights as a Stockholder

An employee who receives an Award shall have rights as a stockholder with respect to Stock covered by such Award to receive dividends in cash or other property or other distributions or rights in respect to such Stock and to vote such Stock as the record owner thereof.

Section 8. Adjustment in the Number of Shares Awarded

In the event there is any change in the Stock through the declaration of stock dividends, through stock splits or through recapitalization or merger or consolidation or combination of shares or otherwise, the

Committee or the Board shall make an appropriate adjustment in the number of shares of Stock thereafter available for Awards.

Section 9. Taxes

(a) If any employee properly elects, within thirty (30) days of the date on which an Award is granted, to include in gross income for federal income tax purposes an amount equal to the fair market value (on the date of grant of the Award) of the Stock subject to the Award, such employee shall make arrangements satisfactory to the Committee to pay to the Company in the year of such Award, any federal, state or local taxes required to be withheld with respect to such shares. If such employee shall fail to make such tax payments as are required, the Company and its Related Companies shall, to the extent permitted by law, have the right to deduct from any payment of any kind otherwise due to the employee any federal, state or local taxes of any kind required by law to be withheld with respect to the Stock subject to such Award.

(b) Each employee who does not make the election described in paragraph (a) of this Section shall, no later than the date as of which the restrictions referred to in Section 5 and such other restrictions as may have been imposed as a condition of the Award, shall lapse, pay to the Company, or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld with respect to the Stock subject to such Award, and the Company and its Related Companies shall, to the extent permitted by law, have the right to deduct from any payment of any kind otherwise due to the employee any federal, state, or local taxes of any kind required by law to be withheld with respect to the Stock subject to such Award.

(c) The Committee may specify when it grants an Award that the Award is subject to mandatory share withholding for satisfaction of tax withholding obligations by employees. For all other Awards, whether granted before or after this paragraph 9(c) was added to this Plan, tax withholding obligations of an employee may be satisfied by share withholding, if permitted by applicable law, at the written election of the employee prior to the date the restrictions on the Award lapse. The shares withheld will be valued at the average of the high and low market prices at which a share of Stock was sold on the date the restrictions lapse (or, if such date is not a trading day, then the next trading day thereafter), as reported on the New York Stock Exchange—Composite Transactions listing.

Section 10. Restrictive Legend and Stock Power

Each certificate evidencing Stock subject to Awards shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to such award. Any attempt to dispose of Stock in contravention of such terms, conditions, and restrictions shall be ineffective. The Committee may adopt rules which provide that the certificates evidencing such shares may be held in custody by a bank or other institution, or that the Company may itself hold such shares in custody until the restrictions thereon shall have lapsed and may require, as a condition of any Award, that the recipient shall have delivered a stock power endorsed in blank relating to the Stock covered by such Award.

Section 11. Amendments, Modifications and Termination of Plan

The Board or the Committee may terminate the Plan, in whole or in part, may suspend the Plan, in whole or in part from time to time, and may amend the Plan from time to time, including the adoption of amendments deemed necessary or desirable to qualify the Awards under the laws of various states (including tax laws) and under rules and regulations promulgated by the Securities and Exchange Commission with respect to employees who are subject to the provisions of Section 16 of the Exchange Act, or to correct any defect or supply an omission or reconcile any inconsistency in the Plan or in any Award granted thereunder, without the approval of the stockholders of the Company; provided, however, that no action shall be taken without the approval of the stockholders of the Company which may increase the number of shares of Stock available for Awards or withdraw administration from the Committee, or permit any person while a member of the Committee to be eligible to receive an Award. Without limiting

the foregoing, the Board of Directors or the Committee may make amendments applicable or inapplicable only to participants who are subject to Section 16 of the Exchange Act. No amendment or termination or modification of the Plan shall in any manner affect Awards therefore granted without the consent of the employee unless the Committee has made a determination that an amendment or modification is in the best interest of all persons to whom Awards have theretofore been granted. The Board or the Committee may modify or remove restrictions contained in Sections 5 and 6 on an Award or the Awards as a whole which have been previously granted upon a determination that such action is in the best interest of the Company. The Plan shall terminate when (a) all Awards authorized under the Plan have been granted and (b) all shares of Stock subject to Awards under the Plan have been issued and are no longer subject to forfeiture under the terms hereof unless earlier terminated by the Board or the Committee.

Section 12. Governing Law

Except to extent preempted by Federal Law, this Plan shall be construed, governed and enforced under the laws of the State of Delaware (without regard to the conflicts of law principles thereof) and any and all disputes arising under this Plan are to be resolved exclusively by courts sitting in Delaware.

The Employee shall not be bound by the holding period as defined in item 7 above.
11. Any additional and specific condition to the grant of Shares shall be contained in the Performance Share Agreement (i.e. Continuous Employment, Performance Conditions).

"NSO" means a stock option that does not constitute an ISO.

"Options" means ISOs and NSOs granted under this Plan.

"Related Company" or "Related Companies" means corporation(s) or other business organization(s) in which the Company owns, directly or indirectly, 20% or more of the voting stock or capital at the relevant time.

"Years of Service" means "Years of Vesting Service" as that term is defined in the Employee Retirement Plan of The Coca-Cola Company.

Section 3. Options

The Company may grant ISOs and NSOs to those persons meeting the eligibility requirements in Section 6(a) and NSOs to those persons meeting the eligibility requirements in Sections 6(b) and 6(c).

Section 4. Administration

The Plan shall be administered by the Committee. No person, other than members of the Committee, shall have any discretion concerning decisions regarding the Plan. The Committee shall determine the key employees of the Company and its Related Companies (including officers, whether

or not they are directors) and consultants to whom, and the time or times at which, Options will be granted; the number of shares to be subject to each Option; the duration of each Option; the time or times within which the Option may be exercised; the cancellation of the Option (with the consent of the holder thereof); and the other conditions of the grant of the Option, at grant or while outstanding, pursuant to the terms of the Plan. The provisions and conditions of the Options need not be the same with respect to each optionee or with respect to each Option.

The Committee may, subject to the provisions of the Plan, establish such rules and regulations as it deems necessary or advisable for the proper administration of the Plan, and may make determinations and may take such other action in connection with or in relation to the Plan as it deems necessary or advisable. Each determination or other action made or taken pursuant to the Plan, including interpretation of the Plan and the specific conditions and provisions of the Options granted hereunder by the Committee, shall be final and conclusive for all purposes and upon all persons including, but without limitation, the Company, its Related Companies, the Committee, the Board, officers and the affected employees and consultants to the Company and/or its Related Companies, optionees and the respective successors in interest of any of the foregoing.

Section 5. Stock

(a) The KO Common Stock to be issued, transferred and/or sold under the Plan shall be made available from authorized and unissued KO Common Stock or from the Company's treasury shares. The total number of shares of KO Common Stock that may be issued or transferred under the Plan pursuant to Options granted thereunder may not exceed 120,000,000 shares (subject to adjustment as described below). Such number of shares shall be subject to adjustment in accordance with Section 5 and Section 11.

(b) Shares Counted Against Limitation. If an Option is exercised by delivery, sale or attestation of Shares of KO Common Stock under Section 7, or if the tax withholding obligation is satisfied by withholding or selling Shares of KO Common Stock under Section 7, the number of Shares of KO Common Stock deemed to have been issued under the Plan (for purposes of the limitation set forth in this section) shall be the number of Shares of KO Common Stock that were subject to the Option or portion thereof so exercised and not the net number of Shares of KO Common Stock actually issued upon such exercise.

(c) Lapsed Awards. If an Option: (i) expires; (ii) is terminated, surrendered, or canceled without having been exercised in full; or (iii) is otherwise forfeited in whole or in part, then the unissued Shares of KO Common Stock that were subject to such Option and/or such surrendered, canceled, or forfeited Shares of KO Common Stock shall become available for future grant under the Plan.

Section 6. Eligibility

Options may be granted to:

- (a) employees of the Company and its Majority-Owned Related Companies,

(b) particular employee(s) of a Related Company, who within the past eighteen (18) months were employee(s) of the Company or a Majority-Owned Related Company, and in rare instances to be determined by the Committee in its sole discretion, employees of a Related Company who have not been employees of the Company or a Majority-Owned Related Company within the past eighteen (18) months, and

(c) consultants providing key services to the Company or its Related Companies (provided that consultants are natural persons and are not former employees of the Company or any Related Company, and that consultants shall be eligible to receive only NSOs and shall not be eligible to receive ISOs).

Effective January 1, 2008, Options may not be granted to any individual described in Section 6(b) or 6(c). No person shall be granted the right to acquire, pursuant to Options granted under the Plan, more than 5% of the aggregate number of shares of KO Common Stock originally authorized under the Plan, as adjusted pursuant to Section 11.

Section 7. Awards of Options

Except as otherwise specifically provided in this Plan, Options granted pursuant to the Plan shall be subject to the following terms and conditions:

(a) Option Price. The Option price shall be no less than 100% of the fair market value of the KO Common Stock on the date of grant. The fair market value of a share of KO Common Stock shall be the average of the high and low market prices at which a share of KO Common Stock shall have been sold on the date of grant, or on the next preceding trading day if such date was not a trading date, as reported on the New York Stock Exchange Composite Transactions listing.

(b) Payment of Option Price. The Option price shall be paid in full at the time of exercise, except as provided in the next sentence. If an exercise is executed by Merrill Lynch, Pierce, Fenner & Smith using the cashless method, the exercise price shall be paid in full no later than the close of business on the third Business Day following the exercise.

Payment may be in cash or, upon conditions established by the Committee, by delivery of shares of KO Common Stock owned for at least six (6) months by the optionee prior to the date of exercise.

The optionee, if a U.S. taxpayer, may elect to satisfy Federal, state and local income tax liabilities due by reason of the exercise by the withholding of shares of KO Common Stock.

If shares are delivered to pay the Option price or if shares are withheld for U.S. taxpayers to satisfy such tax liabilities, the value of the shares delivered or withheld shall be computed on the basis of the reported market price at which a share of KO Common Stock most recently traded prior to the time the exercise order was processed. Such price will be determined by reference to the New York Stock Exchange Composite Transactions listing.

(c) Exercise May Be Delayed until Withholding is Satisfied. The Company may refuse to recognize the exercise an Option if the optionee has not made arrangements satisfactory to the Company to satisfy the tax withholding which the Company determines is necessary to comply with applicable requirements.

(d) Duration of Options. The duration of Options shall be determined by the Committee, but in no event shall the duration of an Option exceed ten years from the date of its grant.

(e) Vesting. Options shall contain such vesting terms as are determined by the Committee, at its sole discretion, including, without limitation, vesting upon the achievement of certain specified performance targets. In the event that no vesting determination is made by the Committee, Options shall vest as follows: (1) 25% on the first anniversary of the date of the grant; (2) 25% on the second anniversary of the date of the grant; (3) 25% on the third anniversary of the date of the grant; and (4) 25% on the fourth anniversary of the date of the grant.

(f) Other Terms and Conditions. Options may contain such other provisions, not inconsistent with the provisions of the Plan, as the Committee shall determine appropriate from time to time, including vesting provisions; provided, however, that, except in the event of a Change in Control or the Disability or death of the optionee, no grant shall provide that an Option shall be exercisable in whole or in part for a period of twelve (12) months from the date on which the Option is granted. The grant of an Option to any employee shall not affect in any way the right of the Company and any Related Company to terminate the employment of such employee. The grant of an Option to any consultant shall not affect in any way the right of the Company and any Related Company to terminate the services of such consultant.

(g) ISOs. The Committee, with respect to each grant of an Option to an optionee, shall determine whether such Option shall be an ISO, and, upon determining that an Option shall be an ISO, shall designate it as such in the written instrument evidencing such Option. If the written instrument evidencing an Option does not contain a designation that it is an ISO, it shall not be an ISO.

The aggregate fair market value (determined in each instance on the date on which an ISO is granted) of the KO Common Stock with respect to which ISOs are first exercisable by any optionee in any calendar year shall not exceed \$100,000 for such optionee (or such other time limit as may be required by the Internal Revenue Code of 1986, as amended). If any subsidiary or Majority-Owned Related Company of the Company shall adopt a stock option plan under which Options constituting ISOs may be granted, the fair market value of the stock on which any such incentive stock options are granted and the times at which such incentive stock options will first become exercisable shall be taken into account in determining the maximum amount of ISOs which may be granted to the optionee under this Plan in any calendar year.

Section 8. Nontransferability of Options

No Option granted pursuant to the Plan shall be transferable otherwise than by will or by the laws of descent and distribution. During the lifetime of an optionee, the Option shall be exercisable only by the optionee personally or by the optionee's legal representative.

Section 9. Effect of Termination of Employment, Other Changes of Employment or Employer Status, Death, or a Change in Control

(a) For Employees. For optionees who are employees of the Company or its Related Companies on the date of grant, the following provisions shall apply:

<u>Event</u>	<u>Impact on Vesting</u>	<u>Impact on Exercise Period</u>
Employment terminates upon Disability	All Options become immediately vested	Option expiration date provided in grant continues to apply
Employment terminates after attaining age 60 and completing 10 Years of Service	Option held at least 12 full calendar months become immediately vested; Options held less than 12 full calendar months are forfeited	Option expiration date provided in grant continues to apply
Employment terminates upon death	All Options become immediately vested	Right of executor, administrator of estate (or other transferee permitted by Section 8) terminates on earlier of (1) 5 years from the date of death, or (2) the expiration date provided in the Option
Employment terminates upon Change in Control	All Options become immediately vested	Option expiration date provided in grant continues to apply
Termination of employment for any other reason.	Unvested Options are forfeited	Expires upon earlier of 6 months from termination date or Option expiration date provided in grant
US military leave	Vesting continues during leave	Option expiration date provided in grant continues to apply
Eleemosynary service	Committee's discretion	Committee's discretion
US FMLA leave of absence	Vesting continues during leave	Option expiration date provided in grant continues to apply
Company investment in optionees employer falls under 20% (this constitutes a termination of employment under the Plan, effective the date the investment falls below 20%)	Unvested Options are forfeited	Expires upon earlier of 6 months from termination date or Option expiration date provided in grant
OR		
employment is transferred to an entity in which the Company's ownership interest is less than 20%		
Employment transferred to Related Company	Vesting continues after transfer	Option expiration date provided in grant continues to apply
Death after employment has terminated but before Option has expired (note that termination of employment may have resulted in a change to the original Option expiration date provided in the grant)	Not applicable	Right of executor, administrator of estate (or other transferee permitted by Section 8) terminates on earlier of (1) 5 years from the date of death, or (2) the Option expiration that applied at the date of death (note that termination of employment may have resulted in a change to the original Option expiration date provided in the grant)

In the case of other leaves of absence not specified above, optionees will be deemed to have terminated employment (so that Options unvested will expire and the Option exercise period will end on the earlier of 6 months from the date the leave began or the Option expiration date provided in the grant), unless the Committee identifies a valid business interest in doing otherwise in which case it may specify what provisions it deems appropriate in its sole discretion; provided that the Committee shall have no obligation to consider any such matters.

(b) For Consultants. For optionees who are consultants, the provisions relating to changes of work assignment, death, disability, Change in Control, or any other provision of an Option shall be determined by the Committee at the date of the grant.

(c) Committee Retains Discretion To Establish Different Terms Than Those Provided in Sections 9(a) or 9(b). Notwithstanding the foregoing provisions, the Committee may, in its sole discretion, establish different terms and conditions pertaining to the effect of an optionee's termination on the expiration or exercisability of Options at the time of grant or (with the consent of the affected optionee) on the expiration or exercisability of outstanding Options. However, no Option can have a term of more than fifteen years.

Section 10. No Rights as a Shareowner

An optionee or a transferee of an optionee pursuant to Section 8 shall have no right as a shareowner with respect to any KO Common Stock covered by an Option or receivable upon the exercise of an Option until the optionee or transferee shall have become the holder of record of such KO Common Stock, and no adjustments shall be made for dividends in cash or other property or other distributions or rights in respect to such KO Common Stock for which the record date is prior to the

date on which the optionee or transferee shall have in fact become the holder of record of the share of KO Common Stock acquired pursuant to the Option.

Section 11. Adjustment in the Number of Shares and in Option Price

In the event there is any change in the shares of KO Common Stock through the declaration of stock dividends, or stock splits or through recapitalization or merger or consolidation or combination of shares or spin-offs or otherwise, the Committee or the Board shall make an appropriate adjustment in the number of shares of KO Common Stock available for Options as well as the number of shares of KO Common Stock subject to any outstanding Option and the Option price or exercise price thereof. Any such adjustment may provide for the elimination of any fractional shares which might otherwise become subject to any Option without payment therefor.

Section 12. Amendments, Modifications and Termination of the Plan

The Board or the Committee may terminate the Plan at any time. From time to time, the Board or the Committee may suspend the Plan, in whole or in part. From time to time, the Board or the Committee may amend the Plan, in whole or in part, including the adoption of amendments deemed necessary or desirable to qualify the Options under the laws of various countries (including tax laws) and under rules and regulations promulgated by the Securities and Exchange Commission with respect to optionees who are subject to the provisions of Section 16 of the 1934 Act, or to correct any defect or supply an omission or reconcile any inconsistency in the Plan or in any Option granted thereunder, or for any other purpose or to any effect permitted by applicable laws and regulations, without the approval of the shareowners of the Company. However, in no event may additional shares of KO Common Stock be allocated to the Plan or any outstanding option be repriced or replaced without share-owner approval. Without limiting the foregoing, the Board of Directors or the Committee may make amendments applicable or inapplicable only to participants who are subject to Section 16 of the 1934 Act.

No amendment or termination or modification of the Plan shall in any manner affect any Option theretofore granted without the consent of the optionee, except that the Committee may amend or modify the Plan in a manner that does affect Options theretofore granted upon a finding by the Committee that such amendment or modification is in the best interest of holders of outstanding Options affected thereby. Grants of ISOs may be made under this Plan until February 18, 2009 or such earlier date as this Plan is terminated, and grants of NSOs may be made until all of the 120,000,000 shares of KO Common Stock authorized for issuance hereunder (adjusted as provided in Sections 5 and 11) have been issued or until this Plan is terminated, whichever first occurs. The Plan shall terminate when there are no longer Options outstanding under the Plan, unless earlier terminated by the Board or by the Committee.

Section 13. Governing Law

Except to extent preempted by Federal Law, this Plan shall be construed, governed and enforced under the laws of the State of Delaware (without regard to the conflicts of law principles thereof) and any and all disputes arising under this Plan are to be resolved exclusively by courts sitting in Delaware.

An individual who is granted an Option and/or an SAR shall be referred to herein as an "optionee."

Section 4. Administration

The Plan shall be administered by the Committee. No person, other than members of the Committee, shall have any discretion concerning decisions regarding the Plan. The Committee shall determine the key employees of the Company and its Related Companies (including officers, whether or not they are directors) and consultants to whom, and the time or times at which, Options and SARs will be granted; the number of shares to be subject to each Option and SAR; the duration of each Option and SAR; the time or times within which the Option or SAR may be exercised; the cancellation of the Option or SAR (with the consent of the holder thereof); and the other conditions of the grant of the Option or SAR, at grant or while outstanding, pursuant to the terms of the Plan. The provisions and conditions of the Options or SARs need not be the same with respect to each optionee or with respect to each Option or SAR.

The Committee may, subject to the provisions of the Plan, establish such rules and regulations as it deems necessary, or advisable, for the proper administration of the Plan, and may make determinations and may take such other action in connection with or in relation to the Plan as it deems necessary or advisable. Section 5. Stock

(a) The KO Common Stock to be issued, transferred and/or sold under the Plan shall be made available from authorized and unissued KO Common Stock or from the Company's treasury shares. The total number of shares of KO Common Stock that may be issued or transferred under the Plan pursuant to Options or SARs granted thereunder may not exceed 120,000,000 shares (subject to adjustment as described below); provided, however, that in no event shall the number of shares of KO Common Stock that may be issued, transferred or sold under the Plan exceed 5% of the number of shares of KO Common Stock outstanding on

a given date. Such number of shares shall be subject to adjustment in accordance with Section 5 and Section 11.

(b) Shares Counted Against Limitation. If an Option is exercised by delivery, sale or attestation of Shares of KO Common Stock under Section 7, or if the tax withholding obligation is satisfied by withholding or selling Shares of KO Common Stock under Section 7, the number of Shares of KO Common Stock deemed to have been issued under the Plan (for purposes of the limitation set forth in this section) shall be the number of Shares of KO Common Stock that were subject to the Option or portion thereof so exercised and not the net number of Shares of KO Common Stock actually issued upon such exercise.

(c) Lapsed Awards. If an Option: (i) expires; (ii) is terminated, surrendered, or canceled without having been exercised in full; or (iii) is otherwise forfeited in whole or in part, then the unissued Shares of KO Common Stock that were subject to such Option and/or such surrendered, canceled, or forfeited Shares of KO Common Stock shall become available for future grant under the Plan.

Section 6. Eligibility

Options and/or SARs may be granted to:

(a) employees of the Company and its Majority-Owned Related Companies,

(b) particular employee(s) of a Related Company, who within the past eighteen (18) months were employee(s) of the Company or a Majority-Owned Related Company, and in rare instances to be determined by the Committee at its sole discretion, employees of a Related Company who have not been employees of the Company or a Majority-Owned Related Company within the past eighteen (18) months, and

(c) consultants providing key services to the Company or its Related Companies (provided that consultants are natural persons and are not former employees of the Company or any Related Company, and that consultants shall be eligible to receive only NSOs and shall not be eligible to receive ISOs).

Effective January 1, 2008, Options and SARs may not be granted to any individual described in Section 6(b) or 6(c). No person shall be granted the right to acquire, pursuant to Options or SARs granted under the Plan, more than 5% of the aggregate number of shares of KO Common Stock originally authorized under the Plan, as adjusted pursuant to Section 11. No option or SAR shall be exercisable unless the employee properly, timely and unconditionally executes (by any means approved by the plan administrator) a stock option agreement provided in connection with the stock option or SAR award.

Section 7. Awards of Options and SARs

Except as otherwise specifically provided in this Plan, Options and SARs granted pursuant to the Plan shall be subject to the following terms and conditions:

(a) Option Price and Exercise Price. The option price (for NSOs and ISOs) and the exercise price (for SARs) shall be no less than 100% of the fair market value of the KO Common Stock on the date of grant. The fair market value of a share of KO Common Stock shall be the average of the high and low market prices at which a share of KO Common Stock shall have been sold on the date of grant, or on the next preceding trading day if such date was not a trading date, as reported on the New York Stock Exchange Composite Transactions listing. If necessary to comply with foreign laws, the Committee may, at its sole discretion, grant Options and SARs at an option price or exercise price less than 100% of the fair market value of the KO Common Stock on the date of grant.

(b) Payment of Option Price. The option price shall be paid in full at the time of exercise, except as provided in the next sentence. If an exercise is executed by the plan administrator using the cashless method, the exercise price shall be paid in full no later than the close of business on the third Business Day following the exercise.

Payment may be in cash or, upon conditions established by the Committee, by delivery of shares of KO Common Stock owned by the optionee for at least six (6) months prior to the date of exercise.

The optionee, if a U.S. taxpayer, may elect to satisfy Federal, state and local income tax liabilities due by reason of the exercise by the withholding of shares of KO Common Stock.

If shares are delivered to pay the option price or if shares are withheld for U.S. taxpayers to satisfy such tax liabilities, the value of the shares delivered or withheld shall be computed on the basis of the reported market price at which a share of KO Common Stock most recently traded prior to the time the exercise order was processed. Such price will be determined by reference to the New York Stock Exchange Composite Transactions listing.

(c) Exercise May Be Delayed until Withholding is Satisfied. The Company may refuse to recognize the exercise of an Option or SAR if the optionee has not made arrangements satisfactory to the Company to satisfy the tax withholding which the Company determines is necessary to comply with applicable requirements.

(d) Duration of Options and SARs. The duration of Options and SARs shall be determined by the Committee, but in no event shall the duration of an Option or SAR exceed ten years from the date of its grant.

(e) Vesting. Options and SARs shall contain such vesting terms as are determined by the Committee, at its sole discretion, including, without limitation, vesting upon the achievement of certain specified performance targets. In the event that no vesting determination is made by the Committee, Options and SARs shall vest as follows: (1) 25% on the first anniversary of the date of the grant; (2) 25% on the second anniversary of the date of the grant; (3) 25% on the third anniversary of the date of the grant; and (4) 25% on the fourth anniversary of the date of the grant.

(f) Other Terms and Conditions. Options and SARs may contain such other provisions, not inconsistent with the provisions of the Plan, as the Committee shall determine appropriate from time to time; provided, however, that, except in the event of a Change in Control, Disability or death of the optionee, no grant shall provide that an Option or SAR shall be exercisable in whole or in part for a period of twelve (12) months from the date on which the Option or SAR is granted. The grant of an Option or SAR to any employee shall not affect in any way the right of the Company and any Related Company to terminate the employment of such employee. The grant of an Option or SAR to any consultant shall not affect in any way the right of the Company and any Related Company to terminate the services of such consultant.

(g) ISOs. The Committee, with respect to each grant of an Option to an optionee, shall determine whether such Option shall be an ISO, and, upon determining that an Option shall be an ISO, shall designate it as such in the written instrument evidencing such Option. If the written instrument evidencing an Option does not contain a designation that it is an ISO, it shall not be an ISO.

The aggregate fair market value (determined in each instance on the date on which an ISO is granted) of the KO Common Stock with respect to which ISOs are first exercisable by any optionee in any calendar year shall not exceed \$100,000 for such optionee (or such other time limit as may be required by the Internal Revenue Code of 1986, as amended). If any subsidiary or Majority-Owned Related Company of the Company shall adopt a stock option plan under which options constituting ISOs may be granted, the fair market value of the stock on which any such incentive stock options are granted and the times at which such incentive stock options will first become exercisable shall be taken into account in determining the maximum amount of ISOs which may be granted to the optionee under this Plan in any calendar year.

Section 8. Nontransferability of Options and SARs

No Option or SAR granted pursuant to the Plan shall be transferable otherwise than by will or by the laws of descent and distribution. During the lifetime of an optionee, the Option or SAR shall be exercisable only by the optionee personally or by the optionee's legal representative.

Section 9. Effect of Termination of Employment, Other Changes of Employment or Employee Status, Death, or a Change in Control

US FMLA leave of absence	Vesting continues during leave.	The Option /SAR expiration date provided in the grant continues to apply.
Optionee's employer is no longer a Related Company (this constitutes a termination of employment under the Plan, effective the date the Company's investment falls below 20%).	Unvested Options and SARs are forfeited.	Expires upon earlier of (1) 6 months from termination date or (2) Option/SAR expiration date provided in the grant.
Employment transferred to Related Company.	Vesting continues after transfer.	The Option/SAR expiration date provided in the grant continues to apply.
Death after employment has terminated but before option	Not applicable	Right of executor, administrator of estate (or

other transferee permitted by Section 8) terminates on earlier of (1) 5 years from the date of death, or (2) the Option/SAR expiration date that applied at the date of death.

In the case of other leaves of absence not specified above, optionees will be deemed to have terminated employment (so that Options and SARs unvested will expire and the

option/SAR exercise period will end on the earlier of 6 months from the date the leave began or the option expiration date provided in the grant), unless the Committee identifies a valid business interest in doing otherwise, in which case it may, specify what provisions it deems appropriate at its sole discretion; provided that the Committee shall have no obligation to consider any such matters.

(b) For Consultants. For optionees who are consultants, the provisions relating to changes of work assignment, death, disability, Change in Control, or any other provision of an Option or SAR shall be determined by the Committee at the date of the grant.

(c) Committee Retains Discretion To Establish Different Terms Than Those Provided in Sections 9(a) or 9(b). Notwithstanding the foregoing provisions, the Committee may, at its sole discretion, establish different terms and conditions pertaining to the effect of an optionee's termination on the expiration or exercisability of Options and SARs at the time of grant or (with the consent of the affected optionee) on the expiration or exercisability of outstanding Options and SARs. However, no Option or SAR can have a term of more than fifteen years.

Section 10. No Rights as a Shareowner

An optionee or a transferee of an optionee pursuant to Section 8 shall have no right as a shareowner with respect to any KO Common Stock covered by an Option or SAR or receivable upon the exercise of an Option or SAR, until the optionee or transferee shall have become the holder of record of such KO Common Stock. No adjustments shall be made for dividends in cash or other property or other distributions or rights in respect to such KO Common Stock covered by any Option or SAR for which the record date is prior to the date on which the optionee or transferee shall have in fact become the holder.

Section 11. Adjustment in the Number of Shares and in Option and Exercise Price

In the event there is any change in the shares of KO Common Stock through the declaration of stock dividends, or stock splits, or through recapitalization or merger or consolidation or combination of shares or spin-offs or otherwise, the Committee or the Board shall make an appropriate adjustment in the number of shares of KO Common Stock available for Options and SARs as well as the number of shares of KO Common Stock subject to any outstanding Option or SAR and the Option price or exercise price thereof. Any such adjustment may provide for the

elimination of any fractional shares, which might otherwise become subject to any Option or SAR, without payment therefor.

Section 12. Amendments, Modifications and Termination of the Plan

The Board or the Committee may terminate the Plan at any time. From time to time, the Board or the Committee may suspend the Plan, in whole or in part. From time to time, the Board or the Committee may amend the Plan, in whole or in part, including the adoption of amendments deemed necessary or desirable to qualify the Options or SARs under the laws of various countries (including tax laws) and under rules and regulations promulgated by the Securities and Exchange Commission with respect to optionees who are subject to the provisions of Section 16 of the 1934 Act, or to correct any defect or supply an omission or reconcile any inconsistency in the Plan or in any Option or SAR granted thereunder, or for any other purpose or to any effect permitted by applicable laws and regulations, without the approval of the shareowners of the Company. However, in no event may additional shares of KO Common Stock be allocated to the Plan or any outstanding option or SAR be repriced or replaced without share-owner approval. Without limiting the foregoing, the Board or the Committee may make amendments applicable or inapplicable only to participants who are subject to Section 16 of the 1934 Act.

No amendment or termination or modification of the Plan shall in any manner affect any Option or SAR theretofore granted without the consent of the optionee, except that the Committee may amend or modify the Plan in a manner that does affect Options and SARs theretofore granted upon a finding by the Committee that such amendment or modification is in the best interest of holders of outstanding Options and SARs affected thereby. Grants of ISOs may be made under this Plan until April 17, 2012 or such earlier date as this Plan is terminated, and grants of NSOs and SARs may be made until all of the 120,000,000 shares of KO Common Stock authorized for issuance hereunder (adjusted as provided in Sections 5 and 11) have been issued or until this Plan is terminated, whichever first occurs. The Plan shall terminate when there are no longer Options or SARs outstanding under the Plan, unless earlier terminated by the Board or by the Committee.

Section 13. Governing Law

Except to extent preempted by Federal Law, this Plan shall be construed, governed and enforced under the laws of the State of Delaware (without regard to the conflicts of law principles thereof) and any and all disputes arising under this Plan are to be resolved exclusively by courts sitting in Delaware.

Section 1. Purpose

The purpose of The Coca-Cola Company 2008 Stock Option Plan (the "Plan") is to advance the interest of The Coca-Cola Company (the "Company") and its Related Companies (as defined in Section 2) by encouraging and enabling the acquisition of a financial interest in the Company by officers and other key employees of the Company or its Related Companies. In addition, the Plan is intended to aid the Company and its Related Companies in attracting and retaining key employees, to stimulate the efforts of such employees and to strengthen their desire to remain in the employ of the Company and its Related Companies.

Section 2. Definitions

"Board" means the Board of Directors of the Company.

"Business Day" means a day on which the New York Stock Exchange is open for securities trading.

"Change in Control" shall mean a change in control of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A under the Securities Exchange Act of 1934, as amended ("1934 Act"), as in effect on January 1, 2002, provided that such a change in control shall be deemed to have occurred at such time as (i) any "person" (as that term is used in Sections 13(d) and 14(d)(2) of the 1934 Act), is or becomes the "beneficial owner" (as defined in Rule 13d-3 under the 1934 Act as in effect on January 1, 2002) directly or indirectly, of securities representing 20% or more of the combined voting power for election of directors of the then outstanding securities of the Company or any successor of the Company; (ii) during any period of two (2) consecutive years or less, individuals who at the beginning of such period constituted the Board of Directors of the Company cease, for any reason, to constitute at least a majority of the Board of Directors, unless the election or nomination for election of each new director was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of the period; (iii) the shareowners of the Company approve any merger or consolidation as a result of which the KO Common Stock (as defined below) shall be changed, converted or exchanged (other than a merger with a wholly owned subsidiary of the Company) or any liquidation of the Company or any sale or other disposition of 50% or more of the assets or earning power of the Company, and such merger, consolidation, liquidation or sale is completed; or (iv) the shareowners of the Company approve any merger or consolidation to which the Company is a party as a result of which the persons who were shareowners of the Company immediately prior to the effective date of the merger or consolidation shall have beneficial ownership of less than 50% of the combined voting power for election of directors of the surviving corporation following the effective date of such merger or consolidation, and such merger or consolidation is completed; provided, however, that no Change in

Control shall be deemed to have occurred if, prior to such times as a Change in Control would otherwise be deemed to have occurred, the Board of Directors determines otherwise. Additionally, no Change in Control will be deemed to have occurred under clause (i) if, subsequent to such time as a Change in Control would otherwise be deemed to have occurred, a majority of the Directors in office prior to the acquisition of the securities by such person determines otherwise.

“Committee” means at least two “non-employee Directors” who are members of the Compensation Committee of the Board of Directors.

“Disabled” or “Disability” means a condition for which a Participant becomes eligible for a disability benefit under the long term disability insurance policy issued to the Company providing Basic Long Term Disability Insurance benefits pursuant to The Coca-Cola Company Health and Welfare Benefits Plan, or under any other long term disability plan which hereafter may be maintained by the Company, whether or not the optionee is covered by such plans.

Section 3. Eligibility

Options may be granted only to employees of the Company and its Majority-Owned Related Companies.

No person shall be granted the right to acquire, pursuant to Options granted under the Plan, more than 5% of the aggregate number of shares of KO Common Stock originally authorized under the Plan, as adjusted pursuant to Section 11. No option shall be exercisable

unless the employee properly, timely and unconditionally executes (by any means approved by the plan administrator) a stock option agreement provided in connection with the stock option.

An individual who is granted an Option shall be referred to herein as an "optionee."

Section 4. Administration

The Plan shall be administered by the Committee. No person, other than members of the Committee, shall have any discretion concerning decisions regarding the Plan. The Committee shall determine the key employees of the Company and its Majority-Owned Related Companies (including officers, whether or not they are directors) to whom, and the time or times at which, Options will be granted; the number of shares to be subject to each Option; the duration of each Option; the time or times within which the Option may be exercised; the cancellation of the Option (with the consent of the holder thereof); and the other conditions of the grant of the Option, at grant or while outstanding, pursuant to the terms of the Plan. The provisions and conditions of the Options need not be the same with respect to each optionee or with respect to each Option.

The Committee may, subject to the provisions of the Plan, establish such rules and regulations as it deems necessary, or advisable, for the proper administration of the Plan, and may make determinations and may take such other action in connection with or in relation to the Plan as it deems necessary or advisable. Each determination or other action made or taken pursuant to the Plan, including interpretation of the Plan and the specific conditions and provisions of the Options granted hereunder by the Committee, shall be final and conclusive for all purposes and upon all persons including, but without limitation, the Company, its Related Companies, the Committee, the Board, officers and the affected employees, optionees and the respective successors in interest of any of the foregoing.

Section 5. Stock

(a) The KO Common Stock to be issued, transferred and/or sold under the Plan shall be made available from authorized and unissued KO Common Stock or from the Company's treasury shares. The total number of shares of KO Common Stock that may be issued or transferred under the Plan pursuant to Options granted thereunder may not exceed 140,000,000 shares (subject to adjustment as described below); provided, however, that in no event shall the number of shares of KO Common Stock that may be issued, transferred or sold under the Plan exceed 5% of the number of shares of KO Common Stock outstanding on a given date. Such number of shares shall be subject to adjustment in accordance with Section 10.

(b) Shares Counted Against Limitation. If an Option is exercised by delivery, sale or attestation of Shares of KO Common Stock under Section 6, or if the tax withholding obligation is satisfied by withholding or selling Shares of KO Common Stock under Section 6, the number of Shares of KO Common Stock deemed to have been issued under the Plan (for purposes of the limitation set forth in this section) shall be the number of Shares of KO

Common Stock that were subject to the Option or portion thereof so exercised and not the net number of shares of KO Common Stock actually issued upon such exercise.

(c) Lapsed Awards. If an Option: (i) expires; (ii) is terminated, surrendered, or canceled without having been exercised in full; or (iii) is otherwise forfeited in whole or in part, then the unissued shares of KO Common Stock that were subject to such Option and/or such surrendered, canceled, or forfeited Shares of KO Common Stock shall become available for future grant under the Plan.

Section 6. Awards of Options

Except as otherwise specifically provided in this Plan, Options granted pursuant to the Plan shall be subject to the following terms and conditions:

(a) Option Price. The option price shall be no less than 100% of the fair market value of the KO Common Stock on the date of grant. The fair market value of a share of KO Common Stock shall be the average of the high and low market prices at which a share of KO Common Stock shall have been sold on the date of grant, or on the next preceding trading day if such date was not a trading date, as reported on the New York Stock Exchange Composite Transactions listing.

(b) Payment of Option Price. The option price shall be paid in full at the time of exercise, except as provided in the next two sentences. The cashless exercise method is permitted for any Options granted under this Plan, unless prohibited by law in a particular jurisdiction. If an exercise is executed by the plan administrator using the cashless method, the exercise price shall be paid in full no later than the close of business on the third Business Day following the exercise.

Payment may be in cash or, upon conditions established by the Committee, by delivery of shares of KO Common Stock owned by the optionee for at least six months prior to the date of exercise.

The optionee, if a U.S. taxpayer, may elect to satisfy Federal, state and local income tax liabilities due by reason of the exercise by the withholding of shares of KO Common Stock.

If shares are delivered to pay the option price or if shares are withheld for U.S. taxpayers to satisfy such tax liabilities, the value of the shares delivered or withheld shall be computed on the basis of the reported market price at which a share of KO Common Stock most recently traded prior to the time the exercise order was processed. Such price will be determined by reference to the New York Stock Exchange Composite Transactions listing.

(c) Exercise May Be Delayed until Withholding is Satisfied. The Company may refuse to recognize the exercise of an Option if the optionee has not made arrangements satisfactory to the Company to satisfy the tax withholding that the Company determines is necessary to comply with applicable requirements.

(d) Duration of Options. The duration of Options shall be determined by the Committee, but in no event shall the duration of an Option exceed ten years from the date of its grant.

(e) Vesting. Options shall contain such vesting terms as are determined by the Committee, at its sole discretion, including, without limitation, vesting upon the achievement of certain specified performance targets. In the event that no vesting determination is made by the Committee, Options shall vest as follows: (1) 25% on the first anniversary of the date of the grant; (2) 25% on the second anniversary of the date of the grant; (3) 25% on the third anniversary of the date of the grant; and (4) 25% on the fourth anniversary of the date of the grant.

(f) Other Terms and Conditions. Options may contain such other provisions, not inconsistent with the provisions of the Plan, as the Committee shall determine appropriate from time to time; provided, however, that, except in the event of a Change in Control, Disability or death of the optionee, no grant shall provide that an Option shall be exercisable in whole or in part for a period of twelve months from the date on which the Option is granted. The grant of an Option to any employee shall not affect in any way the right of the Company and any Related Company to terminate the employment of such employee.

(g) ISOs. The Committee, with respect to each grant of an Option to an optionee, shall determine whether such Option shall be an ISO, and, upon determining that an Option shall be an ISO, shall designate it as such in the written instrument evidencing such Option. If the written instrument evidencing an Option does not contain a designation that it is an ISO, it shall not be an ISO.

The aggregate fair market value (determined in each instance on the date on which an ISO is granted) of the KO Common Stock with respect to which ISOs are first exercisable by any optionee in any calendar year shall not exceed \$100,000 for such optionee (or such other time limit as may be required by the Internal Revenue Code of 1986, as amended). If any subsidiary or Majority-Owned Related Company of the Company shall adopt a stock option plan under which options constituting ISOs may be granted, the fair market value of the stock on which any such incentive stock options are granted and the times at which such incentive stock options will first become exercisable shall be taken into account in determining the maximum amount of ISOs which may be granted to the optionee under this Plan in any calendar year.

Section 7. Nontransferability of Options

No Option granted pursuant to the Plan shall be transferable otherwise than by will or by the laws of descent and distribution. During the lifetime of an optionee, the Option shall be exercisable only by the optionee personally or by the optionee's legal representative.

Section 8. Effect of Termination of Employment, Other Changes of Employment or Employee Status, Death, or a Change in Control

(a) The following chart describes the impact on vesting and the exercise period of certain events:

Event	Impact on Vesting	Impact on Exercise Period
Employment terminates upon Disability.	All Options become immediately vested.	Option expiration date provided in grant continues to apply.
Employment terminates after attaining age 60 and completing 10 Years of Service.	Options held at least 12 months become immediately vested; Options held less than 12 months are forfeited.	Option expiration date provided in grant continues to apply.
Employment terminates upon death.	All Options become immediately vested.	Right of executor, administrator of estate (or other transferee permitted by Section 7) to exercise Options terminates on earlier of (1) five years from the date of death, or (2) the Option expiration date provided in the grant.
Employment terminates upon Change in Control.	All Options become immediately vested.	Option expiration date provided in grant continues to apply.
Employment terminates for any other reason.	Unvested Options are forfeited.	Expires upon earlier of (1) six months from termination date, or (2) the Option expiration date provided in the grant.
US military leave	Vesting continues during leave.	Option expiration date provided in the grant continues to apply.
US FMLA leave of absence	Vesting continues during leave.	Option expiration date provided in the grant continues to apply.
Optionee's employer is no longer a Related Company (this constitutes a termination of employment under the Plan, effective the date the Company's investment falls below 20%).	Unvested Options are forfeited.	Expires upon earlier of (1) six months from termination date or (2) Option expiration date provided in the grant.
Employment moves to Related Company	Vesting continues after move.	Option expiration date provided in the grant continues to apply.
Death after employment has terminated but before option has expired. Note: Termination of employment may have resulted in a change to the original Option expiration date provided in the grant.	Not applicable	Right of executor, administrator of estate (or other transferee permitted by Section 8) terminates on earlier of (1) five years from the date of death, or (2) the Option expiration date that applied at the date of death.

In the case of other leaves of absence not specified above, optionees will be deemed to have terminated employment (so that Options unvested will expire and the option exercise period will end on the earlier of six months from the date the leave began or the option expiration date provided in the grant), unless the Committee identifies a valid business interest in doing otherwise, in which case it may specify what provisions it deems appropriate at its sole discretion; provided that the Committee shall have no obligation to consider any such matters.

(b) **Committee Discretion to Establish Different Terms.** Notwithstanding the foregoing provisions, the Committee may, at its sole discretion, establish different terms and conditions pertaining to the effect of an optionee's termination on the expiration or exercisability of Options at the time of grant or (with the consent of the affected optionee) on the expiration or exercisability of outstanding Options. However, no Option can have a term of more than ten years.

Section 9. No Rights as a Shareowner

An optionee or a transferee of an optionee pursuant to Section 7 shall have no right as a shareowner with respect to any KO Common Stock covered by an Option or receivable upon the exercise of an Option, until the optionee or transferee shall have become the holder of record of such KO Common Stock. No adjustments shall be made for dividends in cash or other property or other distributions or rights in respect to such KO Common Stock covered by any Option for which the record date is prior to the date on which the optionee or transferee shall have in fact become the holder.

Section 10. Adjustment in the Number of Shares and in Option and Exercise Price

In the event there is any change in the shares of KO Common Stock through the declaration of stock dividends, or stock splits, or through recapitalization or merger or consolidation or combination of shares or spin-offs or otherwise, the Committee or the Board shall make an appropriate adjustment in the number of shares of KO Common Stock available for Options as well as the number of shares of KO Common Stock subject to any outstanding Option and the Option price thereof. Any such adjustment may provide for the elimination of any fractional shares, which might otherwise become subject to any Option, without payment therefor.

Section 11. Amendments, Modifications and Termination of the Plan

The Board or the Committee may terminate the Plan at any time. From time to time, the Board or the Committee may suspend the Plan, in whole or in part. From time to time, the Board or the Committee may amend the Plan, in whole or in part, including the adoption of amendments deemed necessary or desirable to qualify the Options under the laws of various countries (including tax laws) and under rules and regulations promulgated by the Securities and Exchange Commission with respect to optionees who are subject to the provisions of Section 16 of the 1934 Act, or to correct any defect or supply an omission or reconcile any inconsistency in the Plan or in any Option granted thereunder, or for any other purpose or to any effect permitted by applicable laws and regulations, without the approval of the shareowners of the Company. However, in no event may additional shares of KO Common Stock be allocated to the Plan or any outstanding option be repriced or replaced without shareowner approval. Without limiting the foregoing, the Board or the Committee may make amendments applicable or inapplicable only to participants who are subject to Section 16 of the 1934 Act.

No amendment or termination or modification of the Plan shall in any manner affect any Option theretofore granted without the consent of the optionee, except that the Committee may amend or modify the Plan in a manner that does affect Options theretofore granted upon a finding by the Committee that such amendment or modification is in the best interest of holders of outstanding Options affected thereby. Grants of ISOs may be made under this Plan until February 20, 2018 or such earlier date as this Plan is terminated, and grants of NSOs may be made until all of the 140,000,000 shares of KO Common Stock authorized for issuance hereunder (adjusted as provided in Sections 5 and 10) have been issued or until this Plan is terminated, whichever first occurs. The Plan shall terminate when there are no longer Options outstanding under the Plan, unless earlier terminated by the Board or by the Committee.

Section 12. Governing Law

Except to extent preempted by Federal Law, this Plan shall be construed, governed and enforced under the laws of the State of Delaware (without regard to the conflicts of law principles thereof) and any and all disputes arising under this Plan are to be resolved exclusively by courts sitting in Delaware.

ADDENDUM

France

Options granted under The Coca-Cola Company 2008 Stock Option Plan to employees based in France (the "Employees") of the Related Companies (as defined) of The Coca-Cola Company (the "Company") may be granted under the terms of this Addendum as follows:

- 1) Notwithstanding any other provision of the Plan, options granted to any Employee who is a consultant, an "Administrateur," or a member of the "Conseil de Surveillance," as these terms are defined in French Corporate law, and who does not have a work contract with the Company or its Related Companies will be deemed to have not been granted an option pursuant to this Addendum.
- 2) Notwithstanding any other provision of the Plan, the number of options offered through the Plan cannot exceed one third of the capital of the Company.
- 3) Notwithstanding any other provision of the Plan, any option with an exercise price on the date of grant of the option that is less than 80% of the average of the market value of the underlying share during the 20 trading days preceding the date of grant shall be deemed to have not been granted under this Addendum.
- 4) Notwithstanding any other provision of the Plan, options cannot be granted during the 20 trading days after the payment of a dividend or after an increase of capital reserved to the shareholders.
- 5) Notwithstanding any other provision of the Plan, no options can be granted during the 10 trading days preceding or following the publication of the annual financial consolidated account or the annual financial statement.
- 6) Notwithstanding any other provision of the Plan, no options can be granted during the period starting the date the corporate management of the company is aware of information the publication of which could have a substantial consequence on the fair market value of the shares and ending 10 trading days after the publication of this information.
- 7) Notwithstanding any other provision of the Plan, the exercise price of an option shall be adjusted only upon the occurrence of the events specified under July 24, 1966 corporate law (section 208-5) in accordance with French law. Any reduction by the Company, to the exercise price of an outstanding and unexercised option previously issued under this Addendum, to the current fair market value of the underlying share shall be deemed to not have been an option granted under this Addendum.
- 8) Notwithstanding any other provision of the Plan, to the extent an option was exercisable by an Employee at the time of his death, such option shall remain exercisable for a maximum period of 6 months from the date of the Employee's death

THE COCA-COLA COMPANY
1999 STOCK OPTION PLAN
STOCK OPTION AGREEMENT

Account Number:

The Coca-Cola Company ("KO") hereby grants to the optionee named below options to purchase KO common stock at the price per share set forth below, subject to the provisions of this Agreement together with the provisions of The Coca-Cola Company 1999 Stock Option Plan (the "Plan"):

optionee's name:

number of options granted, each for one share of KO common stock:

option exercise price per share: \$

option grant date:

option expiration date:

vesting period:

Capitalized terms not otherwise defined in this Agreement shall have the meaning provided in the Plan. The Plan is incorporated into, and made a part of, this Agreement.

1. When options can be exercised.

(a) General provisions.

- (i) No option may be exercised until it has vested.
- (ii) No option shall vest prior to the first anniversary of the grant date, except in the event of a Change in Control, death or Disability.
- (iii) The Plan describes the impact upon vesting and the expiration of options of the following events: death, Disability, Change in Control, various types of leaves of absence, termination of employment, change in KO's investment in the optionee's employer which results in the employer no longer meeting the definition of a Related Company under the Plan, and transfer of employment to a Related Company.
- (iv) Once an option has vested, it may be exercised until it expires. Unless otherwise provided in the Plan or in this Agreement, the options expire on the option expiration date noted above. For individuals located in France, the options will expire on the earlier of: (a) six months after the date of the optionee's death, and (b) the option expiration date noted above.
- (v) Notwithstanding any provision to the contrary in the Plan or in this Agreement, in the event of the optionee's violation of Section 4 below, the options will expire immediately at the time of such violation.

(b) Specific provisions. Except as otherwise provided in the Plan or in this Agreement, one fourth of the number of options covered by this Agreement shall vest on the first, second, third and fourth anniversaries of the grant date.

2. How to exercise the options. In order to exercise an option, it must be vested and must not have expired, and the optionee must do the following:

(a) Pay the option exercise price. The optionee must pay the option exercise price. The optionee shall be informed of the acceptable form and method of payment at or before the time the optionee informs KO of his or her intention to exercise the option. The acceptable forms and methods of payment of the option exercise price may include payment in cash, pursuant to a cashless exercise authorized by KO, or by delivery, through attestation, of shares of KO common stock owned by the optionee. Not all forms and methods of payment are available in every country. The value of the shares delivered to pay the option exercise price shall be computed on the basis of the most recent reported market price at which a share of KO common stock shall have been sold prior to the time of processing the optionee's election to deliver shares in payment of the option exercise price, as reported on the New York Stock Exchange Composite Transactions listing.

(b) Complete all paperwork. The optionee must complete, sign and return any paperwork required by KO or by Merrill Lynch, Pierce, Fenner & Smith ("Merrill Lynch"), or such other agent as may administer the option program on behalf of KO from time to time.

(c) Pay applicable taxes and fees. The options are not intended to be, and shall not be treated as, incentive stock options, as defined in Section 422 of the Internal Revenue Code of 1986, as amended.

The optionee must satisfy any tax withholding requirements regarding any applicable taxes. If the optionee is a U.S. taxpayer, he or she may elect to satisfy Federal, state and local income tax liabilities due by reason of the exercise by having shares of KO common stock withheld. The value of withheld shares shall be computed as described in paragraph 2(a) above.

The optionee agrees that, should KO or any Related Company in its reasonable judgment determine that tax withholding is required upon exercise of the options, and if the optionee has not satisfied such tax obligation(s), then KO may instruct Merrill Lynch to withhold and/or sell shares of KO common stock acquired by the optionee upon exercise of his or her options, or KO may deduct funds equal to the amount of withholding tax (such amount to be determined by KO) from the optionee's salary or other funds due to the optionee from KO.

Irrespective of KO's or a Majority Owned Related Company's action or inaction with respect to taxes or tax withholding, the optionee acknowledges and agrees that the ultimate liability for any and all taxes is and remains the responsibility and liability of the optionee or the optionee's estate. For optionees who are International Service Associates, all taxes remain the optionee's responsibility, except as expressly provided in KO's International Service Policy and/or tax equalization program. Optionee acknowledges that KO and any Related Company (i) make no representations or undertaking regarding the amount or timing of any taxes, and (ii) do not commit to structure the terms of the option or any aspect of the transfer of the shares to reduce or eliminate the optionee's liability for taxes.

The optionee agrees to pay to Merrill Lynch any costs associated with the sale of shares of KO common stock acquired upon exercise of the options (whether such shares are sold to pay the option exercise price, to satisfy tax withholding requirements or for other reasons).

For employees in Switzerland, the optionee agrees that the taxation of the options will occur at the time the options are exercised.

(d) Right of set-off. By accepting this Agreement, the optionee agrees that, should KO or any Related Company in its reasonable judgment determine that optionee owes KO, any Related Company or any affiliate any amount due to any loan, note, obligation or indebtedness, including but not limited to amounts owed to KO pursuant to KO's tax equalization program or KO's policies with respect to travel and business expenses, and if the optionee has not satisfied such obligation(s), then KO may instruct Merrill Lynch to withhold and/or sell shares of KO common stock acquired by the optionee upon exercise of his or her options, or KO may deduct funds equal to the amount of such obligation from the optionee's salary or other funds due to the optionee from KO.

(e) Comply with additional restrictions. The optionee agrees that the Compensation Committee of the Board of Directors of KO (the "Committee"), or its designee, may, in the exercise of its sole and absolute discretion at or before the time the optionee informs KO of his or her intention to exercise the option, establish any additional conditions or restrictions with respect to the exercise of the option, including, but not limited to, restrictions on the acceptable form or method of payment of the option exercise price and restrictions for failing to promptly submit to KO, any Related Company or any affiliate thereof, a tax organizer, or such other tax-related documents reasonably requested by KO or optionee's employer, pursuant to KO's tax equalization program (if optionee is a participant in such program). The optionee shall be informed of such restrictions. The optionee agrees to comply with any such additional conditions or restrictions.

3. Options are not transferable. The optionee may not transfer the options; provided that upon the optionee's death the options may be transferred by will or by the laws of descent and distribution. During the lifetime of the optionee, the options shall be exercisable only by the optionee personally or, in the event of the optionee's Disability if a legal representative has been appointed to act on behalf of the optionee, then by the optionee's legal representative.
4. Forfeiture of options and option gain. In the event optionee shall engage in a "Prohibited Activity" (as defined on Schedule A hereto), at any time during the term of the options, or within one year after termination of optionee's employment from KO or any Related Company, or within one year after exercise of all or any portion of the options, whichever occurs latest, this option shall be rescinded and, if applicable, any gain associated with any exercise of this option shall be forfeited and repaid to KO. Accordingly, if the optionee engages in a Prohibited Activity, then:
 - (a) as of the date that the optionee participates in such Prohibited Activity, all unexercised portions of this option immediately and automatically shall terminate, be forfeited, and shall cease to be exercisable (unless such option has been terminated sooner by operation of another term or condition of the Plan or this Agreement); and
 - (b) within ten days after receiving from KO written notice of the termination of this option, the optionee shall pay to KO any and all gains associated with the exercise of all or any portion of this option, plus interest calculated from the time of such notice through the date of repayment to KO. The gain associated with the exercise of any portion of this option shall be the closing price per share on the date of the exercise thereof,

as reported on the New York Stock Exchange Composite Transactions listing, less the option exercise price per share shown above, multiplied by the number of options exercised. Interest shall be calculated using the weighted prime rate at SunTrust Bank, Atlanta.

Optionee may be released from the effects of this Section 4 if the Committee determines in its sole discretion that such action is in the best interest of KO and its stockholders. Optionee expressly acknowledges and affirms that the foregoing provisions of this Section 4 are material and important terms of this Agreement, and optionee expressly agrees that if all or any part or application of the foregoing provisions of this Section 4 are held or determined to be invalid or unenforceable for any reason whatsoever by a court of competent jurisdiction in an action between optionee and KO, KO shall be entitled to receive from optionee, in exchange for the exercise price per share shown above, all shares of KO common stock acquired by optionee upon exercise of any portion of the option and held by optionee. If optionee has sold, transferred or otherwise disposed of any shares of KO common stock acquired by optionee upon exercise of any portion of the option, KO shall be entitled to receive from optionee the gain associated with such sale, transfer or disposal, plus interest calculated through the date of payment to KO. The gain associated with the sale, transfer or other disposal of any share of KO common stock acquired by optionee upon exercise of any portion of the option shall be the closing price per share on the date of such sale, transfer or disposal, as reported on the New York Stock Exchange Composite Transactions listing, less the option exercise price per share shown above, multiplied by the number of shares of KO common stock sold, transferred or disposed of. Interest shall be calculated using the weighted prime rate at SunTrust Bank, Atlanta.

5. Agreement to retain net shares until separation. The optionee expressly agrees as a condition of this grant that optionee will not sell any shares obtained upon exercise of the options until after the optionee ceases to be employed by the Company or a Related Company, except to pay optionee's taxes related to the options. For this purpose, "taxes" means all federal, state and local income taxes, all social security, Medicare and other mandatory social taxes, and wealth taxes. Nothing in this paragraph shall be construed to limit the optionee's ability to execute a cashless exercise.] – [Optional Provision if Required by Compensation Committee]
6. Stock ownership guidelines and agreement to retain net shares. If the optionee is subject to KO's stock ownership guidelines, the optionee expressly agrees as a condition of this grant that if optionee has not met the applicable stock ownership guidelines within the time prescribed therein, optionee will not sell the number of shares obtained upon exercise of the options (after paying taxes and the exercise price, if applicable) until the optionee has satisfied the optionee's share ownership guidelines and then only shares in excess of those guidelines. For this purpose, "taxes" means all federal, state and local income taxes, all social security, Medicare and other mandatory social taxes, and wealth taxes. Nothing in this paragraph shall be construed to limit the optionee's ability to execute a cashless exercise.

Each determination or other action made or taken pursuant to the Plan, including interpretation of the Plan and the specific conditions and provisions of this Agreement and the options, shall be final and conclusive for all purposes and upon all persons including, but without limitation, KO, the Related Companies, the Committee, the KO Board of Directors, officers and the affected employees of KO, and the optionees and their respective successors in interest.

KO, conflict or be inconsistent with any applicable law or regulation of any governmental agency having jurisdiction, KO reserves the right to refuse to issue or transfer that KO common stock.

9. Consent for accumulation and transfer of data. The optionee consents to the accumulation and transfer of data concerning him or her and the options to and from KO and Merrill Lynch, or such other agent as may administer the option program on behalf of KO from time to time. In addition, the optionee understands that KO holds certain personal information about the optionee, including but not limited to his or her name, home address, telephone number, date of birth, social security number, salary, nationality, job title, and details of all options awarded, vested, unvested, or expired (the "personal data"). Certain personal data may also constitute "sensitive personal data" within the meaning of applicable local law. Such data include but are not limited to the information provided above and any changes thereto and other appropriate personal and financial data about the optionee. The optionee hereby provides explicit consent to KO to process any such personal data and sensitive personal data. The optionee also hereby provides explicit consent to KO to transfer any such personal data and sensitive personal data outside the country in which the optionee is employed, and to the United States. The legal persons for whom such personal data are intended are KO, Merrill Lynch and any company providing services to KO in connection with compensation planning purposes or the administration of the Plan.

10. Additional consents. The optionee consents and acknowledges that:

- (a) the Plan is discretionary in nature, and KO can amend, cancel or terminate it at any time;
- (b) the grant of options under the Plan is voluntary and occasional and does not create any contractual or other right to receive future grants of any options, or benefits in lieu of any options, even if options have been granted repeatedly in the past;
- (c) all determinations with respect to any such future awards, including, but not limited to, the times when options shall be granted, the option price, and the time or times when each right shall be exercisable, will be at the sole discretion of the Committee;
- (d) participation in the Plan is voluntary and may be occasional;
- (e) the value of the options is an extraordinary item of compensation, which is outside the scope of the optionee's employment contract, if any;
- (f) the options or any income derived therefrom are not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculating any termination, severance, resignation, redundancy, end of service payments, bonuses, long-service awards, life or accident insurance benefits, pension or retirement benefits or similar payments;
- (g) except as is otherwise explicitly provided in this Agreement and the Plan, non-vested options are forfeited immediately following termination of employment for any reason, and vested options expire the earlier of: a) six months following termination of employment for any reason, and b) the expiration date noted in the option;
- (h) in the event of involuntary termination of the optionee's employment, the optionee's eligibility to receive options under the Plan, if any, will terminate effective as of the date that the optionee is no longer actively employed regardless of any reasonable notice period mandated under local law; furthermore, in the event of involuntary termination of employment, the optionee's ability to exercise options under the Plan will be measured by the date of termination of the optionee's active employment pursuant to the terms of the Plan and will not be extended by any reasonable notice period mandated under local law;
- (i) the future value of the shares purchased under the Plan is unknown and cannot be predicted with certainty;
- (j) (for individuals other than employees of KO) the options have been granted to the optionee in his or her status as an employee of his or her employer and can in no event be understood or interpreted to mean that KO is his or her employer or that he or she has an employment relationship with KO;
- (k) no claim or entitlement to compensation or damages arises from the termination of the options or diminution in value of the options or shares purchased under the Plan, and the optionee irrevocably releases KO and his or her employer, if different from KO, from any such claim that may arise;
- (l) participation in the Plan shall not create a right to further employment with the optionee's employer and shall not interfere with the ability of the optionee's employer to terminate the optionee's employment relationship at any time, with or without cause;
- (m) the terms of the optionee's employment with KO do not include the grant of stock options; and
- (n) if all or any part or application of the provisions of this Agreement are held or determined to be invalid or unenforceable for any reason whatsoever by a court of competent jurisdiction in an action between optionee and KO, each and all of the other provisions of this Agreement shall remain in full force and effect.

THE COCA-COLA COMPANY
2002 STOCK OPTION PLAN
STOCK OPTION AGREEMENT

Account Number:

The Coca-Cola Company ("KO") hereby grants to the optionee named below options to purchase KO common stock at the price per share set forth below, subject to the provisions of this Agreement together with the provisions of The Coca-Cola Company 2002 Stock Option Plan (the "Plan"):

optionee's name:

number of options granted, each for one share of KO common stock:

option exercise price per share: \$

option grant date:

option expiration date:

vesting period:

Capitalized terms not otherwise defined in this Agreement shall have the meaning provided in the Plan. The Plan is incorporated into, and made a part of, this Agreement.

1. When options can be exercised.

(a) General provisions.

- (i) No option may be exercised until it has vested.
- (ii) No option shall vest prior to the first anniversary of the grant date, except in the event of a Change in Control, death or Disability.
- (iii) The Plan describes the impact upon vesting and the expiration of options of the following events: death, Disability, Change in Control, various types of leaves of absence, termination of employment, change in KO's investment in the optionee's employer which results in the employer no longer meeting the definition of a Related Company under the Plan, and transfer of employment to a Related Company.
- (iv) Once an option has vested, it may be exercised until it expires. Unless otherwise provided in the Plan or in this Agreement, the options expire on the option expiration date noted above. For individuals located in France, the options will expire on the earlier of: (a) six months after the date of the optionee's death, and (b) the option expiration date noted above.
- (v) Notwithstanding any provision to the contrary in the Plan or in this Agreement, in the event of the optionee's violation of Section 4 below, the options will expire immediately at the time of such violation.

(b) Specific provisions. Except as otherwise provided in the Plan or in this Agreement, one fourth of the number of options covered by this Agreement shall vest on the first, second, third and fourth anniversaries of the grant date.

2. How to exercise the options. In order to exercise an option, it must be vested and must not have expired, and the optionee must do the following:

(a) Pay the option exercise price. The optionee must pay the option exercise price. The optionee shall be informed of the acceptable form and method of payment at or before the time the optionee informs KO of his or her intention to exercise the option. The acceptable forms and methods of payment of the option exercise price may include payment in cash, pursuant to a cashless exercise authorized by KO, or by delivery, through attestation, of shares of KO common stock owned by the optionee. Not all forms and methods of payment are available in every country. The value of the shares delivered to pay the option exercise price shall be computed on the basis of the most recent reported market price at which a share of KO common stock shall have been sold prior to the time of processing the optionee's election to deliver shares in payment of the option exercise price, as reported on the New York Stock Exchange Composite Transactions listing.

(c) Pay applicable taxes and fees. The options are not intended to be, and shall not be treated as, incentive stock options, as defined in Section 422 of the Internal Revenue Code of 1986, as amended.

The optionee must satisfy any tax withholding requirements regarding any applicable taxes. If the optionee is a U.S. taxpayer, he or she may elect to satisfy Federal, state and local income tax liabilities due by reason of the exercise by having shares of KO common stock withheld. The value of withheld shares shall be computed as described in paragraph 2(a) above.

The optionee agrees that, should KO or any Related Company in its reasonable judgment determine that tax withholding is required upon exercise of the options, and if the optionee has not satisfied such tax obligation(s), then KO may instruct Merrill Lynch to withhold and/or sell shares of KO common stock acquired by the optionee upon exercise of his or her options, or KO may deduct funds equal to the amount of withholding tax (such amount to be determined by KO) from the optionee's salary or other funds due to the optionee from KO.

Irrespective of KO's or a Majority Owned Related Company's action or inaction with respect to taxes or tax withholding, the optionee acknowledges and agrees that the ultimate liability for any and all taxes is and remains the responsibility and liability of the optionee or the optionee's estate. For optionees who are International Service Associates, all taxes remain the optionee's responsibility, except as expressly provided in KO's International Service Policy and/or tax equalization program. Optionee acknowledges that KO and any Related Company (i) make no representations or undertaking regarding the amount or timing of any taxes, and (ii) do not commit to structure the terms of the option or any aspect of the transfer of the shares to reduce or eliminate the optionee's liability for taxes.

The optionee agrees to pay to Merrill Lynch any costs associated with the sale of shares of KO common stock acquired upon exercise of the options (whether such shares are sold

to pay the option exercise price, to satisfy tax withholding requirements or for other reasons).

For employees in Switzerland, the optionee agrees that the taxation of the options will occur at the time the options are exercised.

(d) Right of set-off. By accepting this Agreement, the optionee agrees that, should KO or any Related Company in its reasonable judgment determine that optionee owes KO, any Related Company or any affiliate any amount due to any loan, note, obligation or indebtedness, including but not limited to amounts owed to KO pursuant to KO's tax equalization program or KO's policies with respect to travel and business expenses, and if the optionee has not satisfied such obligation(s), then KO may instruct Merrill Lynch to withhold and/or sell shares of KO common stock acquired by the optionee upon exercise of his or her options, or KO may deduct funds equal to the amount of such obligation from the optionee's salary or other funds due to the optionee from KO.

(e) Comply with additional restrictions. The optionee agrees that the Compensation Committee of the Board of Directors of KO (the "Committee"), or its designee, may, in the exercise of its sole and absolute discretion at or before the time the optionee informs KO of his or her intention to exercise the option, establish any additional conditions or restrictions with respect to the exercise of the option, including, but not limited to, restrictions on the acceptable form or method of payment of the option exercise price and restrictions for failing to promptly submit to KO, any Related Company or any affiliate thereof, a tax organizer, or such other tax-related documents reasonably requested by KO or optionee's employer, pursuant to KO's tax equalization program (if optionee is a participant in such program). The optionee shall be informed of such restrictions. The optionee agrees to comply with any such additional conditions or restrictions.

3. Options are not transferable. The optionee may not transfer the options; provided that upon the optionee's death the options may be transferred by will or by the laws of descent

and distribution. During the lifetime of the optionee, the options shall be exercisable only by the optionee personally or, in the event of the optionee's Disability if a legal representative has been appointed to act on behalf of the optionee, then by the optionee's legal representative.

4. Forfeiture of options and option gain. In the event optionee shall engage in a "Prohibited Activity" (as defined on Schedule A hereto), at any time during the term of the options, or within one year after termination of optionee's employment from KO or any Related Company, or within one year after exercise of all or any portion of the options, whichever occurs latest, this option shall be rescinded and, if applicable, any gain associated with any exercise of this option shall be forfeited and repaid to KO. Accordingly, if the optionee engages in a Prohibited Activity, then:

- (a) as of the date that the optionee participates in such Prohibited Activity, all unexercised portions of this option immediately and automatically shall terminate, be forfeited, and shall cease to be exercisable (unless such option has been terminated sooner by operation of another term or condition of the Plan or this Agreement); and
- (b) within ten days after receiving from KO written notice of the termination of this option, the optionee shall pay to KO any and all gains associated with the exercise of all or any portion of this option, plus interest calculated from the time of such notice through the date of repayment to KO. The gain associated with the exercise of any portion of this option shall be the closing price per share on the date of the exercise thereof,

as reported on the New York Stock Exchange Composite Transactions listing, less the option exercise price per share shown above, multiplied by the number of options exercised. Interest shall be calculated using the weighted prime rate at SunTrust Bank, Atlanta.

Optionee may be released from the effects of this Section 4 if the Committee determines in its sole discretion that such action is in the best interest of KO and its stockholders. Optionee expressly acknowledges and affirms that the foregoing provisions of this Section 4 are material and important terms of this Agreement, and optionee expressly agrees that if all or any part or application of the foregoing provisions of this Section 4 are held or determined to be invalid or unenforceable for any reason whatsoever by a court of competent jurisdiction in an action between optionee and KO, KO shall be entitled to receive from optionee, in exchange for the exercise price per share shown above, all shares of KO common stock acquired by optionee upon exercise of any portion of the option and held by optionee. If optionee has sold, transferred or otherwise disposed of any shares of KO common stock acquired by optionee upon exercise of any portion of the option, KO shall be entitled to receive from optionee the gain associated with such sale, transfer or disposal, plus interest calculated through the date of payment to KO. The gain associated with the sale, transfer or other disposal of any share of KO common stock acquired by optionee upon exercise of any portion of the option shall be the closing price per share on the date of such sale, transfer or disposal, as reported on the New York Stock Exchange Composite Transactions listing, less the option exercise price per share shown above, multiplied by the number of shares of KO common stock sold, transferred or disposed of. Interest shall be calculated using the weighted prime rate at SunTrust Bank, Atlanta.

5. Agreement to retain net shares until separation. The optionee expressly agrees as a condition of this grant that optionee will not sell any shares obtained upon exercise of the options until after the optionee ceases to be employed by the Company or a Related Company, except to pay optionee's taxes related to the options. For this purpose, "taxes" means all federal, state and local income taxes, all social security, Medicare and other mandatory social taxes, and wealth taxes. Nothing in this paragraph shall be construed to limit the optionee's ability to execute a cashless exercise.] – [Optional Provision if Required by Compensation Committee]
6. Stock ownership guidelines and agreement to retain net shares. If the optionee is subject to KO's stock ownership guidelines, the optionee expressly agrees as a condition of this grant that if optionee has not met the applicable stock ownership guidelines within the time prescribed therein, optionee will not sell the number of shares obtained upon exercise of the options (after paying taxes and the exercise price, if applicable) until the optionee has satisfied the optionee's share ownership guidelines and then only shares in excess of those guidelines. For this purpose, "taxes" means all federal, state and local income taxes, all social security, Medicare and other mandatory social taxes, and wealth taxes. Nothing in this paragraph shall be construed to limit the optionee's ability to execute a cashless exercise.

Each determination or other action made or taken pursuant to the Plan, including interpretation of the Plan and the specific conditions and provisions of this Agreement and the options, shall be final and conclusive for all purposes and upon all persons including, but without limitation, KO, the Related Companies, the Committee, the KO Board of Directors, officers and the affected employees of KO, and the optionees and their respective successors in interest. Using the Merrill Lynch voice response system or other available means, the optionee must accept the above options to purchase shares of KO common stock in accordance with and subject to the terms and conditions of this Agreement and the Plan, acknowledge that he or she has read this Agreement and the Plan, and agree to be bound by this Agreement, the Plan and the actions of the Committee. If he or she does not do so prior to [Date], then KO may declare the option grant null and void at any time. Also, in the unfortunate event that death occurs before this Agreement has been accepted, this option grant will be voided, which means the options will terminate automatically and cannot be transferred to the optionee's heirs pursuant to the optionee's will or the laws of descent and distribution.

THE COCA-COLA COMPANY
2008 STOCK OPTION PLAN
STOCK OPTION AGREEMENT

Account Number:

The Coca-Cola Company ("KO") hereby grants to the optionee named below options to purchase KO common stock at the price per share set forth below, subject to the provisions of this Agreement together with the provisions of The Coca-Cola Company 2008 Stock Option Plan (the "Plan"):

optionee's name:

number of options granted, each for one share of KO common stock:

option exercise price per share: \$

option grant date:

option expiration date:

vesting period:

Capitalized terms not otherwise defined in this Agreement shall have the meaning provided in the Plan. The Plan is incorporated into, and made a part of, this Agreement.

1. When options can be exercised.

(a) General provisions.

- (i) No option may be exercised until it has vested.
- (ii) No option shall vest prior to the first anniversary of the grant date, except in the event of a Change in Control, death or Disability.
- (iii) The Plan describes the impact upon vesting and the expiration of options of the following events: death, Disability, Change in Control, various types of leaves of absence, termination of employment, change in KO's investment in the optionee's employer which results in the employer no longer meeting the definition of a Related Company under the Plan, and transfer of employment to a Related Company.
- (iv) Once an option has vested, it may be exercised until it expires. Unless otherwise provided in the Plan or in this Agreement, the options expire on the option expiration date noted above. For individuals located in France, the options will expire on the earlier of: (a) six months after the date of the optionee's death, and (b) the option expiration date noted above.
- (v) Notwithstanding any provision to the contrary in the Plan or in this Agreement, in the event of the optionee's violation of Section 4 below, the options will expire immediately at the time of such violation.

- (b) Specific provisions. Except as otherwise provided in the Plan or in this Agreement, one fourth of the number of options covered by this Agreement shall vest on the first, second, third and fourth anniversaries of the grant date.

2. How to exercise the options. In order to exercise an option, it must be vested and must not have expired, and the optionee must do the following:

- (a) Pay the option exercise price. The optionee must pay the option exercise price. The optionee shall be informed of the acceptable form and method of payment at or before the time the optionee informs KO of his or her intention to exercise the option. The acceptable forms and methods of payment of the option exercise price may include payment in cash, pursuant to a cashless exercise authorized by KO, or by delivery, through attestation, of shares of KO common stock owned by the optionee. Not all forms and methods of payment are available in every country. The value of the shares delivered to pay the option exercise price shall be computed on the basis of the most recent reported market price at which a share of KO common stock shall have been sold prior to the time of processing the optionee's election to deliver shares in payment of the option exercise price, as reported on the New York Stock Exchange Composite Transactions listing.
- (b) Complete all paperwork. The optionee must complete, sign and return any paperwork required by KO or by Merrill Lynch, Pierce, Fenner & Smith ("Merrill Lynch"), or such other agent as may administer the option program on behalf of KO from time to time.

(c) Pay applicable taxes and fees. The options are not intended to be, and shall not be treated as, incentive stock options, as defined in Section 422 of the Internal Revenue Code of 1986, as amended.

The optionee must satisfy any tax withholding requirements regarding any applicable taxes. If the optionee is a U.S. taxpayer, he or she may elect to satisfy federal, state and local income tax liabilities due by reason of the exercise by having shares of KO common stock withheld. The value of withheld shares shall be computed as described in paragraph 2(a) above.

The optionee agrees that, should KO or any Related Company in its reasonable judgment determine that tax withholding is required upon exercise of the options, and if the optionee has not satisfied such tax obligation(s), then KO may instruct Merrill Lynch to withhold and/or sell shares of KO common stock acquired by the optionee upon exercise of his or her options, or KO may deduct funds equal to the amount of withholding tax (such amount to be determined by KO) from the optionee's salary or other funds due to the optionee from KO.

Irrespective of KO's or a Majority Owned Related Company's action or inaction with respect to taxes or tax withholding, the optionee acknowledges and agrees that the ultimate liability for any and all taxes is and remains the responsibility and liability of the optionee or the optionee's estate. For optionees who are International Service Associates, all taxes remain the optionee's responsibility, except as expressly provided in KO's International Service Policy and/or tax equalization program. Optionee acknowledges that KO and any Related Company (i) make no representations or undertaking regarding the amount or timing of any taxes, and (ii) do not commit to structure the terms of the option or any aspect of the transfer of the shares to reduce or eliminate the optionee's liability for taxes.

The optionee agrees to pay to Merrill Lynch any costs associated with the sale of shares of KO common stock acquired upon exercise of the options (whether such shares are sold

to pay the option exercise price, to satisfy tax withholding requirements or for other reasons).

For employees in Switzerland, the optionee agrees that the taxation of the options will occur at the time the options are exercised.

(d) Right of set-off. By accepting this Agreement, the optionee agrees that, should KO or any Related Company in its reasonable judgment determine that optionee owes KO, any Related Company or any affiliate any amount due to any loan, note, obligation or indebtedness, including but not limited to amounts owed to KO pursuant to KO's tax equalization program or KO's policies with respect to travel and business expenses, and if the optionee has not satisfied such obligation(s), then KO may instruct Merrill Lynch to withhold and/or sell shares of KO common stock acquired by the optionee upon exercise of his or her options, or KO may deduct funds equal to the amount of such obligation from the optionee's salary or other funds due to the optionee from KO.

(e) Comply with additional restrictions. The optionee agrees that the Compensation Committee of the Board of Directors of KO (the "Committee"), or its designee, may, in the exercise of its sole and absolute discretion at or before the time the optionee informs KO of his or her intention to exercise the option, establish any additional conditions or restrictions with respect to the exercise of the option, including, but not limited to, restrictions on the acceptable form or method of payment of the option exercise price and restrictions for failing to promptly submit to KO, any Related Company or any affiliate thereof, a tax organizer, or such other tax-related documents reasonably requested by KO or optionee's employer, pursuant to KO's tax equalization program (if optionee is a participant in such program). The optionee shall be informed of such restrictions. The optionee agrees to comply with any such additional conditions or restrictions.

3. Options are not transferable. The optionee may not transfer the options; provided that upon the optionee's death the options may be transferred by will or by the laws of descent

and distribution. During the lifetime of the optionee, the options shall be exercisable only by the optionee personally or, in the event of the optionee's Disability if a legal representative has been appointed to act on behalf of the optionee, then by the optionee's legal representative.

4 Forfeiture of options and option gain. In the event optionee shall engage in a "Prohibited Activity" (as defined on Schedule A hereto), at any time during the term of the options, or within one year after termination of optionee's employment from KO or any Related Company, or within one year after exercise of all or any portion of the options, whichever occurs latest, this option shall be rescinded and, if applicable, any gain associated with any exercise of this option shall be forfeited and repaid to KO. Accordingly, if the optionee engages in a Prohibited Activity, then:

(a) as of the date that the optionee participates in such Prohibited Activity, all unexercised portions of this option immediately and automatically shall terminate, be forfeited, and

shall cease to be exercisable (unless such option has been terminated sooner by operation of another term or condition of the Plan or this Agreement); and

(b) within ten days after receiving from KO written notice of the termination of this option, the optionee shall pay to KO any and all gains associated with the exercise of all or any

portion of this option, plus interest calculated from the time of such notice through the date of repayment to KO. The gain associated with the

exercise of any portion of this option shall be the closing price per share on the date of the exercise thereof, as reported on the New York Stock Exchange Composite Transactions listing, less the option exercise price per share shown above, multiplied by the number of options exercised. Interest shall be calculated using the weighted prime rate at SunTrust Bank, Atlanta.

Optionee may be released from the effects of this Section 4 if the Committee determines in its sole discretion that such action is in the best interest of KO and its stockholders. Optionee expressly acknowledges and affirms that the foregoing provisions of this Section 4 are material and important terms of this Agreement, and optionee expressly agrees that if all or any part or application of the foregoing provisions of this Section 4 are held or determined to be invalid or unenforceable for any reason whatsoever by a court of competent jurisdiction in an action between optionee and KO, KO shall be entitled to receive from optionee, in exchange for the exercise price per share shown above, all shares of KO common stock acquired by optionee upon exercise of any portion of the option and held by optionee. If optionee has sold, transferred or otherwise disposed of any shares of KO common stock acquired by optionee upon exercise of any portion of the option, KO shall be entitled to receive from optionee the gain associated with such sale, transfer or disposal, plus interest calculated through the date of payment to KO. The gain associated with the sale, transfer or other disposal of any share of KO common stock acquired by optionee upon exercise of any portion of the option shall be the closing price per share on the date of such sale, transfer or disposal, as reported on the New York Stock Exchange Composite Transactions listing, less the option exercise price per share shown above, multiplied by the number of shares of KO common stock sold, transferred or disposed of. Interest shall be calculated using the weighted prime rate at SunTrust Bank, Atlanta.

5. Agreement to retain net shares until separation. The optionee expressly agrees as a condition of this grant that optionee will not sell any shares obtained upon exercise of the options until after the optionee ceases to be employed by the Company or a Related Company, except to pay optionee's taxes related to the options. For this purpose, "taxes" means all federal, state and local income taxes, all social security, Medicare and other mandatory social taxes, and wealth taxes. Nothing in this paragraph shall be construed to limit the optionee's ability to execute a cashless exercise.] – [Optional Provision if Required by Compensation Committee]
6. Stock ownership guidelines and agreement to retain net shares. If the optionee is subject to KO's stock ownership guidelines, the optionee expressly agrees as a condition of this grant that if optionee has not met the applicable stock ownership guidelines within the time prescribed therein, optionee will not sell the number of shares obtained upon exercise of the options (after paying taxes and the exercise price, if applicable) until the optionee has satisfied the optionee's share ownership guidelines and then only shares in excess of those guidelines. For this purpose, "taxes" means all federal, state and local income taxes, all social security, Medicare and other mandatory social taxes, and wealth taxes. Nothing in this paragraph shall be construed to limit the optionee's ability to execute a cashless exercise.
7. Notices. Each notice relating to the option or its exercise shall be in writing. Requests and other notices regarding the exercise of options shall be delivered (whether by overnight delivery or by mail) as follows:

All notices to KO shall be addressed as follows: Director, Executive Compensation

All notices to the optionee shall be addressed to the principal address of the optionee on file with KO. Either KO or the optionee may designate a different address by written notice to the other. Written notice to these addresses shall be effective to bind KO, the optionee and the optionee's successors and assigns.

8. Administrative matters. The optionee hereby agrees that the Committee may, subject to the provisions of the Plan, establish such rules and regulations as it deems necessary or advisable for the proper administration of the Plan, and may make determinations and may take such other action in connection with or in relation to the Plan as it deems necessary or advisable. Each determination or other action made or taken pursuant to the Plan, including interpretation of the Plan and the specific conditions and provisions of this Agreement and the options, shall be final and conclusive for all purposes and upon all persons including, but without limitation, KO, the Related Companies, the Committee, the KO Board of Directors, officers and the affected employees of KO, and the optionees and their respective successors in interest.

When the issuance or transfer of KO common stock pursuant to the exercise of an option may, in the opinion of KO, conflict or be inconsistent with any applicable law or regulation

of any governmental agency having jurisdiction, KO reserves the right to refuse to issue or transfer that KO common stock.

9. Consent for accumulation and transfer of data. The optionee consents to the accumulation and transfer of data concerning him or her and the options to and from KO and Merrill Lynch, or such other agent as may administer the option program on behalf of KO from time to time. In addition, the optionee understands that KO holds certain personal information about the optionee, including but not limited to his or her name, home address, telephone number, date of birth, social security number, salary, nationality, job title, and details of all options awarded, vested, unvested, or expired (the "personal data"). Certain personal data may also constitute "sensitive personal data" within the meaning of applicable local law. Such data include but are not limited to the information provided above and any changes thereto and other appropriate personal and financial data about the optionee. The optionee hereby provides explicit consent to KO to process any such personal data and sensitive personal data. The optionee also hereby provides explicit consent to KO to transfer any such personal data and sensitive personal data outside the country in which the optionee is employed, and to the United States. The legal persons for whom such personal data are intended are KO, Merrill Lynch and any company providing services to KO in connection with compensation planning purposes or the administration of the Plan.
10. Additional consents. The optionee consents and acknowledges that:
- (a) the Plan is discretionary in nature, and KO can amend, cancel or terminate it at any time;
 - (b) the grant of options under the Plan is voluntary and occasional and does not create any contractual or other right to receive future grants of any options, or benefits in lieu of any options, even if options have been granted repeatedly in the past;
 - (c) all determinations with respect to any such future awards, including, but not limited to, the times when options shall be granted, the option price, and the time or times when each right shall be exercisable, will be at the sole discretion of the Committee;
 - (d) participation in the Plan is voluntary and may be occasional;
 - (e) the value of the options is an extraordinary item of compensation, which is outside the scope of the optionee's employment contract, if any;
 - (f) the options or any income derived therefrom are not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculating any termination, severance, resignation, redundancy, end of service payments, bonuses, long-service awards, life or accident insurance benefits, pension or retirement benefits or similar payments;
 - (g) except as is otherwise explicitly provided in this Agreement and the Plan, non-vested options are forfeited immediately following termination of employment for any reason, and vested options expire the earlier of: a) six months following termination of employment for any reason, and b) the expiration date noted in the option;
 - (h) in the event of involuntary termination of the optionee's employment, the optionee's eligibility to receive options under the Plan, if any, will terminate effective as of the date that the optionee is no longer actively employed regardless of any reasonable notice period mandated under local law; furthermore, in the event of involuntary termination of employment, the optionee's ability to exercise options under the Plan will be measured by the date of termination of the optionee's active employment pursuant to the terms of the Plan and will not be extended by any reasonable notice period mandated under local law;
 - (i) the future value of the shares purchased under the Plan is unknown and cannot be predicted with certainty;
 - (j) (for individuals other than employees of KO) the options have been granted to the optionee in his or her status as an employee of his or her employer and can in no event be understood or interpreted to mean that KO is his or her employer or that he or she has an employment relationship with KO;
 - (k) no claim or entitlement to compensation or damages arises from the termination of the options or diminution in value of the options or shares purchased under the Plan, and the optionee irrevocably releases KO and his or her employer, if different from KO, from any such claim that may arise;
 - (l) participation in the Plan shall not create a right to further employment with the optionee's employer and shall not interfere with the ability of the optionee's employer to terminate the optionee's employment relationship at any time, with or without cause;
 - (m) the terms of the optionee's employment with KO do not include the grant of stock options; and
 - (n) if all or any part or application of the provisions of this Agreement are held or determined to be invalid or unenforceable for any reason whatsoever by a court of competent jurisdiction in an action between optionee and KO, each and all of the other provisions of this Agreement shall remain in full force and effect.
