Jennifer Manning, Associate General Counsel and Corporate Secretary of
The Coca-Cola Company**

Hello, I'm Jennifer Manning, Associate General Counsel and Corporate Secretary of The Coca-Cola Company. I'm here to tell you a bit more about our 2022 Annual General Meeting of Shareowners, which will be held virtually this year on Tuesday, April 26th.

First and foremost, on behalf of the Board of Directors and my fellow employees at Coca-Cola, I want to thank you for your investment and your interest in our Company. Our web page is a convenient way to get ready for the meeting. You can view important informational materials and vote your shares in advance of the meeting and submit questions in advance of the meeting on the web page. Like last year, we are again conducting a virtual Annual Meeting of Shareowners, rather than bringing people together in a physical location. We are excited to continue employing the latest technology to provide expanded shareowner access while minimizing costs for our shareowners and our Company.

Our Annual Meeting is always a great opportunity to look back at our accomplishments and look forward to our future. As James recently said, our system showed resilience and flexibility during an uncertain time and we are proud to have emerged stronger. We are excited to build on the momentum of 2021 into 2022 and beyond.

As you prepare for our virtual shareowners' meeting, please refer to the information provided on the annual meeting webpage or in your proxy materials for specifics regarding registration and attendance.

Your voice is vital to our future. Please vote your shares. You can vote in advance by signing and returning your proxy card or voting instruction form, using the phone or internet voting, or clicking on the voting link on this page. You can also vote electronically during the 2022 virtual Annual Meeting by following the instructions in our proxy statement to register to attend the meeting. As always, your proxy statement contains detailed information on the items up for a vote.

I hope you'll join us for this year's virtual meeting. Again, thank you for your investment and your confidence in this great business as we work to refresh the world and make a difference.

Maria Elena Lagomasino, Lead Independent Director of
The Board of Directors of The Coca-Cola Company**

Hi, I'm Mel Lagomasino, the Lead Independent Director of The Coca-Cola Company. I'm honored to serve in this role, because our Board believes strong, independent leadership goes hand-in-hand with building long-term value. It's a part of how we pursue our purpose to refresh the world and make a difference.

So what's my job? As Lead Independent Director I have robust and clearly defined responsibilities. And, they've been shaped by what we've heard and learned from shareowners.

One of my jobs is to guide the Board in its core work overseeing the Company's business strategy, and I'm the Board's key point of contact for shareowners. The Lead Independent Director also leads the annual performance evaluation for our Chairman and CEO, and the annual Board evaluation process and presides at executive sessions where the Chairman and CEO isn't present.

Finally – and this is a critical part of the job – the Lead Independent Director plays a key role in planning for Board and management succession. Our Board has a strong partnership with Chairman and CEO James Quincey. Together, we ensure the Company is positioned to grow successfully and sustainably.

We also have a diverse, well-functioning Board with capable Directors who have the right mix of skills. It's about having a balance of tenure, turnover, diversity and deep knowledge. We value fresh perspectives and also the great experience that Directors gain over time. Board refreshment is a journey, and we are committed to fielding the best Board possible.

Finally, shareowners expect – and deserve – to understand how and why we make decisions in the boardroom. So we're constantly building relationships and trust over time. We've cultivated meaningful, valuable relationships with our shareowners through our engagement program, which is led by management and overseen by the Board.

On behalf of my fellow Directors, thank you for your investment in this Company. And, especially, for the trust you place in us.

Helene Gayle, Chair of the Talent and Compensation Committee of
The Board of Directors of The Coca-Cola Company**

Hi, I'm Helene Gayle, and I'm pleased to serve as the Chair of the Talent and Compensation Committee of The Coca-Cola Company's Board of Directors.

We are proud of the efforts our people have made to help The Coca-Cola Company emerge stronger from the challenges of 2020 and 2021 and we look forward to refreshing the world and making a difference in 2022 and beyond.

To accomplish our ambitious goals, it is key that we have the right people and the right incentives to drive growth and achieve our purpose as a Company. So, we need the right policies and strategies in place to attract, retain and develop the talented and diverse employees we need. As a Committee, our job is to oversee these initiatives and monitor our progress to help prepare the Company for the future.

When we look at talent, the Committee reviews the Company's strategies for talent management, leadership development, retention and culture. We evaluate workplace diversity and inclusion, equality and fairness to ensure the Company maintains a consistent and fair process when it comes to hiring and promoting.

We also continue to evaluate our executive compensation programs to ensure that they are consistent with our business strategy and incentivize the behaviors that best position the Company for long-term growth. We strive to ensure our plans effectively link pay and performance and align executives' interests with those of our shareowners and other key stakeholders. We recently announced some important updates to our executives' compensation programs to further connect executive incentives with our Environmental, Social and Governance goals: Beginning with this year's awards, we have added diversity, equity and inclusion goals into the Annual Incentive plan. Additionally, we have tied sustainability goals related to the Company's World Without Waste packaging strategy and its 2030 water security strategy into the 2022-2024 grants under the Long-Term Incentive program. We believe that these actions reinforce our commitment to these important topics and will promote our efforts across the ESG space.

To learn more, please take a look at the Compensation Discussion and Analysis in our proxy materials, which describes our current program in detail. You can also review the Governance section in our Proxy, which describes our talent priorities. Thank you for your interest in the Company and our Committee's important work and please don't forget to vote your shares at this year's Annual Meeting.
